

OWLS 2024

Interested in learning about wildlife conservation through hands-on activities and field experiences? If so, check out this year's Charlie Elliott Center's Outdoor Wildlife Leadership School (OWLS)! We will be exploring the Piedmont and Upper Coastal Plain ecoregions of Georgia and investigating the field of wildlife forensics.

This year's workshop will include:

- ✓ Field of wildlife forensics.
- ✓ Role and responsibility of a Game Warden.
- ✓ Key features of the ecosystems found in the Piedmont and Upper Coastal Plain ecoregions.
- ✓ Adaptations plants and animals have to these ecoregions.
- ✓ Human impacts

Dates: July 8 - 12, 2024 **Cost:** \$175, this includes lodging and meals

Charlie Elliott Wildlife Center will be our home base with day trips to area wildlife management areas and local waterways.
