## Beach Advisory Lifted for Jekyll Island

**GLYNN COUNTY, GA** – The Glynn County Health Department has lifted the beach water advisory for Driftwood Beach, which is from Beach KM Marker 1 to Tallu Fish Ln on Jekyll Island.

The advisory was issued on November 23, 2021, after routine water quality tests showed a high level of enterococci bacteria which increase the risk of gastrointestinal illness in swimmers.

Subsequent water samples showed that the bacteria levels had dropped below Environmental Protection Agency’s recommended limits. Therefore, the advisory has been lifted.

For more information about beach water advisories, go to [www.gachd.org](http://www.gachd.org) and click on the Environmental Health tab at the top of the page.
