## Beach Advisories Lifted for St. Simons Island

**GLYNN COUNTY, GA** – The Glynn County Health Department has lifted the beach water advisories for North Beach at Goulds Inlet (Fifteenth St. to Tenth St.), East Beach Old Coast Guard Station (Tenth Street to Driftwood Drive), and Fifth Street Crossover Beach (Cedar Street to Ninth Street).

The advisories were issued on January 5, 2022 after routine water quality tests showed a high level of enterococci bacteria which increase the risk of gastrointestinal illness in swimmers.

Subsequent water samples taken showed that the bacteria levels had dropped below Environmental Protection Agency’s recommended limits. Therefore, the advisories have been lifted.

For more information about beach water advisories, go to [www.gachd.org](http://www.gachd.org) and click on the Environmental Health tab at the top of the page.
