Re: Letter of Permission (LOP), Temporary Activities, Placement of Fourth of July Fireworks Display, Ocean Forest Golf Club, Sea Island, Atlantic Ocean, Georgia GPS: (31.20439°N/81.32175°W)

Dear Mr. Webb:

This Letter of Permission (LOP) is in response to your request, dated April 25, 2018, to set up equipment for a 4th of July fireworks display held by Sea Island Acquisition within Shore Protection Act (SPA) jurisdiction.

The fireworks set up, display, and removal will occur on July 4, 2018 at the Ocean Forest Golf Club beach on Sea Island. The equipment required includes a Jeep and trailer that will access the beach via a designated beach access point for motor vehicles at 36th Street to deliver and remove the firework display. The trailer will be the launch area for the fireworks display and will be staged landward of the ordinary high-water mark and seaward of the dunes in an un-vegetated area. The fireworks display will begin at approximately 9:00 PM. According to the request, all materials will be removed by the end of the day on July 4, 2018 after the fireworks display.

The Department authorizes the placement of the firework setup equipment as depicted in the attached description and site map, and has no objection to the action, provided Best Management Practices (BMP's) are used. **No unauthorized equipment, materials or debris may be placed, disposed of, or stored in jurisdictional areas.** Any incidental damage to dunes or dune vegetation will require restoration to be coordinated through this office. This LOP is valid for the above referenced project. Any change in the use, location, dimensions, or configuration of the approved project, without prior notification and approval from this office could result on the revocation of this permission and in the required removal of the related structures.

Because the project occurs between May 1st and October 31st, turtle nesting season, an individual with a DNR Sea Turtle Cooperators Permit needs to survey the area prior to the work beginning.

Dear Karl,

On behalf of Sea Island Acquisition, I respectfully request a Letter of Permission for the following activities on the beach at the Ocean Forest Golf Club on Sea Island:

- The delivery of a fireworks trailer by a Jeep to a beachfront site (See attached Exhibit A) on the afternoon of 7/4/18;
- The display of fireworks from the launch trailer at approximately 9:00 p.m., 7/4/18;
- The removal of the trailer after the fireworks display, 7/4/18.

The equipment required includes a Jeep and a trailer. Delivery of the launch trailer will be from 36th Street, an approved beach access, to the existing hard-packed site as illustrated on the attached exhibit. Once the trailer is delivered, the jeep will return to an upland area. No dunes or dune vegetation will be disturbed.

Thank you for your continued cooperation.
