**912.644.5217****Health Department Lifts Swimming Advisory**

**GLYNN COUNTY, GA**— The Glynn County Health Department has lifted the advisory for East Beach Old Coast Guard Station (from Tenth Street to Driftwood Street). The advisory was issued on Wednesday, October 15, after routine water quality tests showed a high level of enterococci bacteria, which increase the risk of gastrointestinal illness in swimmers. However, water samples taken Thursday, October 16, showed that the bacteria levels had dropped below Environmental Protection Agency's recommended limits. Therefore, the advisory has been lifted.
