Reimolds Pasture Advisory Lifted

GLYNN COUNTY, GA – The Glynn County Health Department has lifted the advisory for Reimolds Pasture (the eastern shore of Buttermilk Sound at the mouth of the Altamaha River).

The advisory was issued October 22, 2014 after routine water quality tests showed a high level of enterococci bacteria which increase the risk of gastrointestinal illness in swimmers.

Subsequent water samples taken showed that the bacteria levels had dropped below Environmental Protection Agency's recommended limits. Therefore, the advisory has been lifted.
