

NASP® ACADEMIC ARCHER PROGRAM

WHAT IS THE ACADEMIC ARCHERY PROGRAM?

- * Designed to promote and recognize academic excellence among Georgia's NASP® student archers.
- * A motivational tool available to any school that offers in-school NASP® archery instruction.
- * Designed to motivate NASP® student archers academically.
- * An optional program, available only to participating NASP® schools. Participation is a local decision and in accordance with existing local school policies.

HOW IS THE PROGRAM IMPLEMENTED?

- * All students that fully participate in an in-school NASP® archery class, and meet local academic criteria for recognition are eligible to be entered for Academic Archer status.
- * NASP® BAI certified teachers/coaches can enter eligible students into nasptournaments.org for Academic Archer status.
- * The Academic Archer program is independent from any/all forms of tournament participation
- * The designated Academic Archer should maintain a grade point average that establishes them well within existing school GPA criteria for high academic scholarship.
- * NASP® teachers/coaches should monitor archer's academic progress at each grading period to ensure that the archer remains eligible according to existing school GPA criteria for high academic scholarship.

HOW ARE ACADEMIC ARCHERS RECOGNIZED?

- * A certificate, suitable for framing, and an Academic Archer shoulder patch will be provided to each student archer designated as a NASP® Academic Archer.
- * Certificates and patches provided to each participating NASP® school by the Georgia DNR.
