

**PRIVATE LANDOWNER INTEREST FORM
VOLUNTARY PUBLIC ACCESS and HABITAT INCENTIVE PROGRAM**

The Georgia Wildlife Resources Division is pleased to be able to offer private landowners an opportunity to receive substantial financial incentives for allowing controlled access to the public for hunting and other outdoor recreational opportunities. Through short-term negotiable lease agreements made possible from the U.S. Department of Agriculture, we can offer landowners incentives based on acres, types of recreation, and habitats that may be available on your land. If you are interested in enrolling, return this form by April 30, 2018 and we will contact you soon.
