

## Participant Survey Form

Thank you for your interest in **Growing Up WILD**. Please take moment to tell us what you think. Your responses will help us ensure that our programs meet the needs of educators. We appreciate your time.

**Circle the letter or number of the most appropriate response(s) to the following:**

**1. The content of this workshop is developmentally appropriate for the children I teach.**

1                      2                      3                      4                      5                      6  
WAY off base! ☹️                      Right on! 😊

**2. The content of this workshop is appropriate for the subjects I teach.**

1                      2                      3                      4                      5                      6  
WAY off base! ☹️                      Right on! 😊

**3. I will include *Growing Up WILD* resources in my teaching.**

1                      2                      3                      4                      5                      6  
Thanks, but no thanks ☹️                      Definitely! 😊

**4. I will integrate *Growing Up WILD* activities into my teaching.**

1                      2                      3                      4                      5                      6  
The book will sit on the shelf. ☹️                      I'll start tomorrow! 😊

**5. *Growing up WILD* activities will help the children I teach gain the knowledge and skills prescribed by local and/or state standards.**

1                      2                      3                      4                      5                      6  
WAY off base! ☹️                      Academics will soar! 😊

**6. *Growing Up WILD* activities will help me address and meet curriculum requirements.**

1                      2                      3                      4                      5                      6  
When will I have time to teach this? ☹️                      Fits perfectly! 😊

**7. I believe that the information and activities contained in *Growing Up WILD* will resonate with the children I teach.**

1                      2                      3                      4                      5                      6  
I'll have to drag them kicking... ☹️                      They'll be eager! 😊

**8. I will work with other teachers at my site to utilize *Growing Up WILD* throughout the year.**

1                      2                      3                      4                      5                      6  
No way ☹️                      Absolutely! 😊

**9. I would recommend *Growing Up WILD* to other interested early childhood educators.**

|                   |   |   |   |                                   |   |
|-------------------|---|---|---|-----------------------------------|---|
| 1                 | 2 | 3 | 4 | 5                                 | 6 |
| Recommend what? ☹ |   |   |   | Allow me to introduce you to... ☺ |   |

**10. Overall, this workshop was**

|               |   |   |   |                                     |   |
|---------------|---|---|---|-------------------------------------|---|
| 1             | 2 | 3 | 4 | 5                                   | 6 |
| Not so good ☹ |   |   |   | Excellent – One of the best ever! ☺ |   |

**11. What will be your biggest challenge in implementing *Growing Up WILD* in your classroom?**

**12. My current position is:**

- |                                |                           |                    |
|--------------------------------|---------------------------|--------------------|
| a. Head Start educator         | f. curriculum specialist  | k. college student |
| b. preschool teacher           | g. resource agency person | l. college faculty |
| c. day care provider           | h. resource specialist    | m. industry rep.   |
| d. elementary teacher          | i. youth organization     | n. other _____     |
| e. center/school administrator | j. preservice teacher     |                    |

**13. YES / NO I would like to attend other Project WILD workshops.**

**14. YES / NO I would like to learn to train other educators in the use of *Growing Up WILD* materials.**

**15. Comments**

***Thank you!***
