Do not combine multi-hunt clubs on same application, submit separately.

Instructions for Renewal for Dog Hunting Permit

Attached is the form to apply for a Renewal Dog Hunting Permit. This permit must be received by anyone desiring to hunt deer with dogs in Georgia prior to any dog hunting activity. The application is one page and requires additional information to be attached in order to be complete.

- **OFFICIAL COUNTY TAX MAPS WITH AERIAL PHOTO OVERLAY DISPLAYING INCLUDED PROPERTY IS REQUIRED WITH YOUR RENEWAL APPLICATION EACH YEAR.**

Item #1. Applicants are limited to property owners and lessees, check the box that applies. If the applicant owns part of the property and leases the remainder, check both boxes. Complete all the information for this block. Social Security number, address and date of Birth must match applicant's name.

Item #2. All tracts of land that are to be hunted must be listed to be covered under the permit. Tracts should be listed by the individual property owner. **You must provide acreage and maps for all tracts.** The minimum permissible size for all leased tracts in combination is 1000 contiguous acres. However, a privately-owned tract may be permitted if it is at least 250 contiguous acres. If additional space is needed, attach an additional page. **Maps should be an 8.5 X 11 official county tax map with aerial photo overlay displaying included property.** Applicant should mark access points (how will hunters get on the permitted property). Permittees will not be authorized to deer hunt with dogs on any tract not properly listed on the application or tracts for which no map or signature has been submitted.

NOTE: Additional properties added to a current permit will require reapplication for the permit (permittee and guests may continue to hunt on previously permitted property during review).

Each property owner or authorized agent with property to be included under the permit **must print, sign and mark the expiration date (year) in the spaces provided.** Any property belonging to an owner who has not signed the application will be removed from consideration. The Department will accept a notarized copy of a lease for any given parcel of land in lieu of that owner's signature, provided that the lease specifically indicates that deer hunting with dogs is authorized. **Provide a list of all landowners with a contact address and phone number for each parcel to be covered by this permit on the form provided.**

Item #3. Provide a list of known members when you submit the application. Additions to the list may be made as members are added. Anyone not on the list must have written permission for his or her person from the permittee.

Signature: Application will not be processed without applicant's name and signature at bottom of application.

Notes:

To receive a permit prior to the opening day of deer season, applications must be received at least 30 days in advance to the first day for hunting deer with dogs.

If submitting a renewal application and the applicant's name has changed, the Licensee Customer ID number will change, however: the Hunt Club number will remain the same.

**** Keep copies of all documents so you have them to submit the following year If no changes. All documents are required every year.**

Our renewal applications can be found on our website at <https://gadnrle.org/special-permits/> scroll to Dog Deer Hunting Permits / Print renewal application.
