

In order to participate in a National Archery in the Schools Program (NASP) Basic Archery Instructor (BAI) training workshop conducted by the staff of the Georgia Department of Natural Resources Shooting Sports program, the potential BAI candidate must provide, to the instructor, one of the following documents as proof of school employment and/or affiliation:

Employees of Georgia Public School Systems

1. School ID that includes photograph and current school academic year.
2. Copy of valid teaching certificate.
3. Copy of current teaching year contract.

Employees of Georgia Private Schools

1. School ID that includes photograph and current school academic year.
2. Copy of valid teaching certificate.
3. Copy of current teaching year contract.

Parent Volunteers in Georgia Public or Private Schools

1. A letter, on school's letterhead, approving the individual as a school volunteer signed by the school's principal, headmaster or parent volunteer coordinator.

Homeschool Groups

1. Must provide documentation of 501 (c) 3 status.
2. Must provide organization's bylaws/charter.
3. Must provide board of directors list.
4. Must have at least two parent-teachers certified in NASP.
