National Archery in the Schools Program
Agreement Between School and Georgia Wildlife Resources Division
Requirements of Participation for the 2019-2020 Season

AFFIDAVIT:

School Name: _______________________________________________________________________

School Address: _______________________________________________________________________

City: ___________________________ State: _________ Zip: ________________ County: ___________

Current School Principal: ____________________________________________

Primary NASP Instructor: _____________________________________________________________

Secondary NASP Instructor: ____________________________________________________________

I/we do hereby acknowledge that: (1) The National Archery in the Schools Program has been/will be
incorporated into ________________ school’s curriculum this current school year of
20____ for a minimum of 10 hours, and certify that a minimum of two active school staff members have
been trained and certified in Basic Archery Instruction by a Georgia Wildlife Resources Division
employee. (2) The National Archery in the Schools Program tournament season rules have been read and
understood. Our school will abide by all rules and policies for this tournament season of 20_____. (3) All
NASP instructors/coaches associated with the SCHOOL have been made aware that adherence to NASP
Tournament Season Rules is mandatory. (4) School personnel understand it is the responsibility of the
NASP BAI coaches to inform/educate the parents and students on the rules and policies for the current
NASP Tournament Season. (5) That students, while in attendance and participating in a Georgia District,
Regional or State NASP event, are under the authority of ____________________________ school staff and/or its
representatives.
