

Charlie Elliott Wildlife Center 2021 Summer Camps

Join us for a summer filled with exciting experiences! CEWC will be offering day camps June – July for ages 6-16. Throughout each week, campers will have unique opportunities to engage in activities that connect them to the outdoors. Registration opens February 15th and ends two weeks before the start of each individual camp and can be done online.

**Note due to COVID-19, the CEWC camp season is subject to change.

CHARLIE'S TRACKERS CAMP (AGES 6–8) \$150

June 7-11 Brooke Ager Discovery Area
9:00 am - 4:00 pm each day

Inspiring a love of nature and the outdoors, Charlie's Trackers camp opens the door to a lifetime of adventure and fun through exploration and hands-on activities. Live animal encounters, games, and crafts are planned. During this camp, campers will work towards becoming a Charlie Elliott Wildlife Center Junior Ranger, a program started in Georgia by Mr. Elliott.

WILDLIFE RANGERS CAMP (AGES 8–10) \$150

June 14-18 Brooke Ager Discovery Area
9:00 am - 4:00 pm each day

Wildlife Rangers will be immersed in the outdoors while gaining valuable nature knowledge and skills. Campers will learn outdoor pursuits such as shelter building, cooking over a fire, wildlife identification, fishing, and canoeing. Utilizing the skills they've gained, campers will become stewards of the environment, just like Mr. Charlie Elliott.

OUTDOOR ADVENTURE TEAM CHALLENGE CAMP (AGES 11–13) \$150

June 21-25 Brooke Ager Discovery Area
9:00 am - 4:00 pm each day

Teamwork and team spirit abound as campers work together to complete challenges utilizing the outdoor skills they have learned and developed throughout the week. This fast-paced, high energy camp will be brimming with outdoor pursuits such as hiking, canoeing, fire building, archery, and wildlife ID. Our trained counselors will guide campers along their journey culminating in an all-out, every-team-for-themselves competition!

SHOOTING SPORTS CAMP (AGES 12–16) \$150

June 28 - July 2 Brooke Ager Discovery Area
9:00 am - 4:00 pm each day

Shooting sports can be a whole lot of fun, but with the fun comes a great deal of responsibility. Shooting Sports Camp will get your youngster started on the path to becoming a responsible shooter by exposing them to various types of firearms and always emphasizing safety. Campers will learn fundamentals of shooting, participate in various shooting activities, proper handling of rifles, shotguns, and archery equipment, and practice gun safety. They will also learn how to safely clean, maintain, and store firearms. By week's end, campers will have completed the National Rifle Association's (NRA) First Steps Program. An opportunity to demonstrate their new skills and earn shooting awards will round out the camp.

GONE FISHIN' CAMP (AGES 11–13) \$150

July 6-9 Brooke Ager Discovery Area
9:00 am - 4:00 pm, Tuesday - Friday

This camp is designed with young anglers in mind! Campers will spend the week learning about fishing and fisheries management. Activities include mastering techniques used to fish, identifying equipment that goes into a tackle box, exploring fish biology, and of course a lot of fishing! Campers are guaranteed to leave with their own stories of "the one that got away."

ADVENTURES IN CONVERSATION EDUCATION (ACE) CAMP (FOR RISING 6TH, 7TH AND 8TH GRADE STUDENTS) \$50

July 13-16 Charlie Elliott Conference Center
9:00 am - 4:00 pm, Tuesday - Friday

ACE is a summer camp for middle school students that is focused on wildlife conservation. This year campers will journey into the piedmont and walk in the shoes of game wardens to see how they solve wildlife related crimes. Participants will spend four days immersed in biology, conservation, and the forensics behind investigating wildlife crimes. Thanks to a grant from The Environmental Resources Network, this camp is only \$50 per person.

WILDERNESS SURVIVAL CAMP (AGES 12–16) \$150

July 19-23 Brooke Ager Discovery Area
9:00 am - 4:00 pm each day

Are you a young person interested in expanding your knowledge of outdoor skills? If so, Charlie Elliott's Wilderness Survival Camp is the key! Campers will take part in a variety of activities meant to sharpen their ability to respond to various wilderness situations. We will explore the topics of fire building, edible and medicinal plant use, shelter building, orienteering and much more! Campers gain useful outdoor knowledge and will have a lot of fun along the way!
