CHARLIE ELLIOTT WILDLIFE CENTER

Fish-n-Learn

Education Program

This program series is designed for participants ages 8-15 to learn all about fishing and the equipment needed to fish. Our next **Fish-n-Learn 2** class will be for intermediate anglers. It will focus on the basics of bass fishing and different lure types used.

Participants will stay and dine at the Charlie Elliott Conference Center. The weekend will include fishing at Marben PFA as well as educational programs on equipment, fishing regulations, and species identification. Participants are expected to bring their own rod, reel, and basic box of tackle. Participants must be able to do the following before the course begins: 1) tie a hook onto a line; 2) rig a rod and reel; 3) cast and hit a target.

A Georgia fishing license is required for anyone 16 or older participating in the Fish-n-Learn program. Licenses can be purchased online at www.gofishgeorgia.com.
