

# Go Fish Education Center

## *Women's Only Workshop!*

Haven't picked up a fishing pole since you were 8? Maybe just want to get outdoors more often? Now's the time to give it a shot!

Please join us for an introductory level fishing workshop designed for and by women ages 16+.

In this workshop, we will cover the basics of fishing: casting, equipment, handling fish, natural baits, and knot tying. Participants will also have an opportunity to put their new skills into use at our casting pond. Rods, reels, and bait are all provided. Complete beginners are welcome!
