

McDuffie Environmental Education Center

School Outreach Programs

The McDuffie Environmental Education Center (MEEC) provides teachers a unique site to take students for a hands-on outdoor experience. Lessons address the dimensions of the Georgia Standards of Excellence in this diverse biologically rich area with activities available for PreK through seventh grade. The McDuffie Environmental Education Center provides students with stimulating, outdoor learning experiences about the ecology of our wildlife, water, soils, and forests and the stewardship of these important natural resources.

The McDuffie Environmental Education Center is open by reservation only. It is recommended that dates be booked well in advance in order to secure desired dates. Fees: \$5 per student

We offer accommodations and Adaptation of Performance Standards for Students with Disabilities based on information provided when reservations are made.
