

Let's Go Fishing at Flat Creek PFA!

These events are for the entire family, all ages, and any level of fishing experience. We encourage participants to bring their own rods/reels, bait, water/snacks, chairs, sunscreen/sunglasses, and excitement. We will have some fishing poles and bait available for anyone wanting to fish. We will have staff onsite to assist anyone wanting to learn more about fishing. Children are required to have adult supervision. Anglers are ONLY allowed to harvest from the event pond during scheduled WRD fishing events. Anglers may not exceed the daily harvest limits posted at Flat Creek PFA or the Fishing Event Pond. **Anyone age-16 or older is required to possess a valid Georgia Fishing License to participate in Community Fishing Events.**
