This workshop is limited to 30 participants. Please pre-register by returning the completed form (below). A confirmation e-mail will be sent upon receipt. For additional information, contact Amber Barrow at 770-784-3059 or [amber.barrow@dnr.ga.gov](mailto:amber.barrow@dnr.ga.gov).

 **Growing Up WILD: Exploring Nature with Young Children** is an early childhood education activity guide that builds on children's sense of wonder about nature and invites them to explore wildlife and the world around them.

 **Environmental Experiences for Early Childhood** is an early childhood education activity guide that integrates nature-based exploration, art, literature, math, music and movement, and outdoor play into early childhood education programs. It allows children to explore, discover, and communicate in expressive ways.

 Participants will receive both curriculum guides and instruction on how to incorporate 38 classroom-tested activities and lesson plans into your classroom or learning environment. Participants will also receive a CD with 14 tracks that correlate with some of the activities as well.
