GEORGIA HUNTING & FISHING REGULATIONS AND SEASONS

2025-2026 GEORGIA HUNTING AND FISHING REGULATIONS AND SEASONS

Brian P. Kemp, Governor

Walter Rabon, Commissioner, Department of Natural Resources

Ted Will, Director, Wildlife Resources Division

Doug Haymans, Director, Coastal Resources Division

Mike England, Colonel, Law Enforcement Division

ABOUT THIS PUBLICATION

Welcome to the 2025-2026 Georgia Hunting and Fishing Regulations and Seasons. Hunting regulations are set by the Board of Natural Resources, acting on the recommendations of Wildlife Resources Division's professional wildlife biologists and other field personnel. Laws are set by the elected members of the General Assembly. This guide is designed to help you understand the laws and regulations for hunting in Georgia. For complete rules and exact wording, refer to the Game and Fish Code (Title 27) and the current copy of the Department of Natural Resources, Wildlife Resources Division's regulations (Subject 391-4-2) on file with the Secretary of State.

Every effort has been made to ensure the accuracy of the information contained within this publication. If any errors are discovered, the online version of this publication found at www.gohuntgeorgia.com will be updated.

Editor: Sara Califf, Georgia DNR

Assistant Editor: Tina Johannsen, Georgia DNR

Commissioner's Message

Commissioner Rabon and his two oldest grandchildren.

Every year, I'm honored to connect with hunters and anglers across Georgia through our Regulations Guide. This publication serves not only as a practical resource for rules and seasons, but also as a bridge between our agency and the passionate hunters and anglers who make conservation possible through their participation and support.

Hunting and fishing are an important part of life in Georgia. They are traditions that run deep in our state's cultural fabric. Our diverse geography—from the mountains in the north to the coastal plains in the south—provides for many opportunities to get outside and create lasting memories with family and friends.

DNR's Wildlife Resources Division and Coastal Resources Division staff work tirelessly to create and maintain habitat and water bodies for our wildlife and fisheries. Our biologists and technicians monitor the populations of game and fish species across the state, collecting data and using it to guide our management decisions. From deer to turkey to trout, our staff's dedication to Georgia's natural resources is awe-inspiring. Their expertise and passion together with our hunter and angler support ensures our hunting and fishing opportunities remain sustainable for future generations.

As stewards of Georgia's wildlife, we recognize the outdoor traditions we cherish depend on healthy ecosystems and engaged hunters and anglers.

Our hunters and anglers are a critical part of success and why Georgia is the best state to hunt and fish. This year I challenge each of you to take someone with you, either to the range, afield, or on the water. Take the time to mentor a new hunter or angler. Pass down this great tradition we love.

I look forward to seeing you in the field or on the water this year.

Walter Rabon

Commissioner, Georgia Department of Natural Resources

STATEWIDE CHANGES

Bowfishing	Updated catfish regulations. See page 56 for more information
Bass Limits	PFA Bass Regulations - Evans County PFA and Paradise PFA have new bass limits.
Youth Definition	Youth is now defined as persons under 16 years of age.
Early Antlerless-only Firearms Season	To support venison donation in areas with deer-related crop damage, a 2-day early October antlerless only firearms season was added for private lands in select counties. See pages 12-13.
Deer Carcass Disposal	Inedible parts of deer carcasses must be disposed of onsite or, if moved, in accordance with Dept of Agriculture laws. See page 10.
Blaze Pink	HB 167 authorizes wearing either fluorescent pink or fluorescent orange (at least 500 square inches) during the Georgia hunting seasons.

About This Guide

This high-quality guide is brought to you by the Georgia Department of Natural Resources Wildlife Resources Division through a partnership with Kalkomey, a trusted leader in outdoor safety education since 1995. In addition to producing this guide, Kalkomey also offers a suite of educational courses to help people enjoy the outdoors safely.

Definitions

ARTIFICIAL LURE

Any lure made completely of natural or colored wood, cork, feathers, hair, rubber, metal, plastic, tinsel, styrofoam, sponge, string, or any combination of such materials, in imitation of or as a substitute for natural bait. This does not include any item sprayed with or containing scented or chemical attractants.

BAITING

Bait: corn, wheat, other grains, salts, apples, and other feed that has been placed, exposed, deposited, distributed, or scattered so as to constitute a lure, attraction, or enticement to game animals or game birds.

IT IS UNLAWFUL FOR ANY PERSON TO:

- Hunt any game animal (except as noted below) or game bird upon, over, around, or within 200 yards of bait.
- Hunt any area for a period of 10 days following complete removal of all bait.
- Hunt any game or feral hog over bait, or place bait, on any State or Federal managed lands.
- Place bait in a manner that will cause hunting on an adjacent property to be prohibited.

Taking of any big game, other than deer, over bait is subject to a fine of \$5,000 and/or imprisonment up to 12 months.

EXCEPTIONS FOR DEER AND FERAL HOGS:

- Deer and feral hogs may be hunted over or near any bait on private lands in all counties, provided the hunter has written permission from the landowner. It is unlawful to hunt deer over bait, or place bait, on any state or federally managed lands.
- Placing bait for deer or hogs may make a property (or portion of a property) un-huntatable for other species, such as turkeys. Hunters are urged to communicate with others who may hunt other species on or near an area where baiting for deer or hogs is being considered.

BIG GAME

Bear, deer, and wild turkey. All other game animals (including alligators, furbearers, migratory game birds, and upland game birds) are considered "small game" for regulatory purposes.

DAILY LIMIT

The number of fish or game animals that may be taken, caught, or killed during any one day.

HUNTING

"Hunting" means pursuing, shooting, killing, taking, or capturing wildlife or feral hogs. This term also includes acts such as placing, setting, drawing, or using any device used to take wildlife or feral hogs, whether any such act results in taking or not, and includes every act of assistance to any person in taking or attempting to take such wildlife or feral hogs.

FISHING

Catching, capturing, taking, or killing fish, mussels and all seafood and includes all lesser acts such as attempting to catch, capture, or kill by any device or method and directly assisting any person in catching or attempting to catch fish or seafood.

GAME FISH

Fish that are listed under Daily Limits (see pages 55 and 74).

IMMEDIATE FAMILY

All persons living in one household under one head of household and bearing a blood or dependent relationship to the head of household.

MOUNTAIN TROUT

Brook, Brown, and Rainbow trout and any hybrids of these species. Referred to in this Guide as "Trout."

NONGAME FISH

Any fish not designated as game fish under Daily Limits (see pages 55 and 74).

PUBLIC FISHING AREA

Designated areas owned and/or operated by the Department of Natural Resources, Wildlife Resources Division, Fisheries Section for the primary purpose of fishing and are open to the public. These are listed on pages 59-61.

RESIDENT

Resident means any person who has been domiciled within the State of Georgia (declared Georgia the only state of legal residence) for a period of at least three months. A valid Georgia driver's license or Georgia ID is required to show residency. Nonresident full time Georgia college students with a valid college ID living in Georgia, and nonresident active duty military personnel with a valid U.S. DOD Common Access Card with Uniformed Services affiliation and the dependents of such military personnel may obtain resident hunting and fishing licenses other than resident lifetime, disability and honorary licenses. Nonresident landowners must purchase a nonresident license.

2025 Forestry for Wildlife PARTNERS

The Georgia Department of Natural Resources' Wildlife Resources Division honors our 2025 Forestry for Wildlife Partners for their outstanding accomplishments in incorporating wildlife conservation practices as an integral part of their land management. These partners had a positive impact for wildlife habitat on 1 million acres. Learn about FWP, including our focus on partner projects and a lower minimum acreage at GeorgiaWildlife.com/fwp.

+ - Additional Day – days can be added for up to 11 consecutive days

YOUR DOLLARS MAKE A DIFFERENCE

The Wildlife and Sport Fish Restoration Program creates a direct link among sportsmen and women and industries needed to expand and enhance recreational opportunities.

HOW IT WORKS

1. Anglers, hunters, boaters purchase fishing/hunting equipment & boat motor fuels.
2. Manufacturers pay excise tax on that equipment and boaters pay fuel taxes.
3. US Fish & Wildlife Service allocates funds to state fish & wildlife agencies.
4. States receive grants.
5. State agencies implement programs & projects.
6. Better fishing, boating, hunting and wildlife-associated recreation.

License Requirements

LICENSE REQUIREMENTS

Reliable identification and a Social Security Number (SSN) are required to purchase a license (O.C.G.A. § 19-11-9.1). Game Wardens may require positive identification when checking licenses. All required hunting licenses and stamps must be in possession while hunting or while assisting another hunter (electronic copies are acceptable). It is unlawful to obtain, possess, or use multiple licenses for the purpose of circumventing season bag limits.

Hunter education is not required to purchase an Apprentice Hunting License or short-term license. Persons purchasing a Lifetime License must have hunter education before hunting, unless exempt by age or supervision. Hunter education is not required to hunt on one's own land or land of a parent or guardian (blood or dependent relationship) residing in the same household, or to hunt pen raised game birds on licensed shooting preserves that provide specified hunter education instruction (see Shooting Preserve License page 7).

To obtain a replacement hunter education card visit GoOutdoorsGeorgia.com or call 1-800-366-2661 Monday-Friday from 8 a.m. to 6 p.m. and Saturday and Sunday 9 a.m. to 5 p.m.

HUNTER EDUCATION

All hunters born on or after Jan. 1, 1961 must successfully complete a hunter education course before purchasing a hunting license. All hunter education courses certified or mandated by any state wildlife agency or Canadian province are accepted. Residents may sign up for online or classroom courses at GoHuntGeorgia.com or by calling 1-800-366-2661.

AGE REQUIREMENTS

HUNTERS UNDER AGE 16 are not required to complete a hunter education course. A child under age 16 must be under "direct supervision" or "directly supervised," which means the

licensed adult must remain in a position to take immediate control of the youth's firearm at all times. It is unlawful for an adult to permit their child or ward (under age 16) to hunt without adult supervision.

Exception: Hunters 12–15 years old may hunt unsupervised after successfully completing a hunter education course. Special restrictions may apply on WMAs and Federal Areas (see pages 28–43 and 48–49).

HUNTERS AGE 16–25 are required to have a hunter education card when purchasing a season hunting license and must be in possession while hunting.

HUNTERS OVER AGE 25 and born after Jan. 1, 1961 must successfully complete a hunter education course but are not required to present their Hunter Education Card when buying a season hunting license or possess it while hunting.

APPRENTICE HUNTER is any person who has not successfully completed a hunter education course or does not possess a hunter education certificate. Apprentice hunters may purchase a short-term Apprentice Hunting License to hunt and fish in Georgia.

LANDS PASS

Any person age 16 and older, entering any WMA or PFA must have a valid Georgia license that allows hunting or fishing on state land or a Lands Pass (exclusions apply, visit georgiawildlife.com/LandAccess). WMAs and PFAs that require a license to hunt or fish or a Lands Pass are marked with a sign at the site or area entrance. See page 19 for more information.

FREE LICENSES

SENIOR CITIZENS: Georgia residents born on or before June 30, 1952 may obtain a Lifetime Sportsman's License free of charge. An optional Lifetime Sportsman's Plastic Card may be purchased for \$10. Reduced cost senior annual and lifetime licenses are available to residents age 65+ born July 1, 1952 and after.

RETURNING GEORGIA VETERANS (ONE TIME ONLY): Georgia resident military veterans who were on active duty for 90 or more consecutive days and were honorably discharged on or after July 1, 2005 may obtain one annual Honorary License free of charge. Such veterans may obtain this license by providing a copy of their DD Form 214 and a completed DNR application.

TYPES OF LICENSES

RESIDENT HUNTING, COMBO OR SPORTSMAN'S LICENSE is required for all resident hunters 16 years of age or older, except when hunting or fishing on one's own land or land owned by immediate family (blood or dependent relationship) residing in the same household.

NONRESIDENT HUNTING, COMBO OR SPORTSMAN'S LICENSE is required for all nonresident hunters, except nonresident small game hunters that are under 16. All nonresident big game hunters must obtain a Harvest Record and those 16 and older must possess a big game license (included in Sportsman's License).

HARVEST RECORD is required for any person who hunts alligator, bear, deer or turkey, regardless of age. The Harvest Record is only valid for a single year and may be obtained on or after March 1 for the upcoming season. Harvest must be recorded before moving the animal from the site of the kill, and reported online or by telephone within 24 hours. See page 8.

RESIDENT HUNTERS UNDER AGE 16 must possess a Harvest Record to hunt alligator, bear, deer and turkey. They are not required to possess any of the following: Hunting, Big Game or GA Waterfowl & Migratory Bird License.

ALLIGATOR HARVEST PERMIT is required to harvest an alligator (permittee must also be selected through the alligator quota hunt process). All persons accompanying or assisting an alligator permit holder need a valid hunting license. A free permit is available for Lifetime Sportsman's License, Disability Sportsman's License, Disability Hunting License, Honorary License, and Resident Optional Youth Sportsman's License holders selected for an Alligator Quota Hunt.

BIG GAME LICENSE is required, in addition to a valid Hunting License, for hunting bear, deer, or turkey. The Big Game License is not required by resident hunters hunting one's own land or land owned by immediate family (blood or dependent relationship) residing in the same household, resident or nonresident persons under the age of 16, or anyone who possesses an Honorary, Sportsman's, or Lifetime Sportsman's License. A Harvest Record is also required to hunt bear, deer or turkey.

GA WATERFOWL & MIGRATORY BIRD LICENSE is required for any person who hunts migratory birds (doves, ducks, geese, woodcock, snipe,

coots, rails, or gallinules) and is required by age to have a hunting license to hunt. A free GA Waterfowl & Migratory Bird License is available for all resident Landowners hunting their own land and hunters with a valid Sportsman's License, Youth Sportsman's License, Disability Sportsman's License, Disability Hunting License, Honorary License or Lifetime Sportsman's License.

FEDERAL DUCK STAMP is required for all waterfowl hunters 16 years of age or older including resident landowners and their immediate family. Due to the passing of the Duck Stamp Modernization Act of 2023 and related to purchasing this Stamp through GoOutdoorsGeorgia.com, electronic Duck Stamps are now valid when purchased and between July 1st and June 30th of the following year. Physical Duck Stamps are no longer required, but they will be mailed by a federal fulfillment center following March 10th after the electronic Duck Stamp purchase. This Stamp is also available at US Post Offices, 1-800-STAMP24, or usps.com.

SPORTSMAN'S LICENSE includes Hunting, Big Game, Fishing and Trout Licenses. Duck hunters must obtain a Federal Duck Stamp. Migratory Bird hunters must obtain a Free GA Waterfowl & Migratory Bird License. Saltwater anglers must obtain a Free SIP license. Alligator, bear, deer and turkey hunters must obtain a Free Harvest Record.

RESIDENT OPTIONAL YOUTH SPORTSMAN'S LICENSE: this optional multi-year license can be purchased by resident youth through age 15 and does not expire until the sportsman's 17th birthday. The license includes privileges for all hunting and fishing including big game and trout. A Harvest Record, GA Waterfowl & Migratory Bird License (16+), Quota Alligator Harvest Permit if selected, and SIP (16+) are free but must be obtained each year. Hunter education is required at age 16.

NONRESIDENT YOUTH SPORTSMAN'S LICENSE: this annual license can be purchased by nonresident youth through age 15. The license includes privileges for all hunting and fishing including big game and trout (except for the Quota Alligator Harvest Permit). A harvest record, GA Waterfowl & Migratory Bird License (16+), and SIP (16+) are free but must be obtained. Hunter education is required at age 16.

DISABILITY HUNTING LICENSE: Georgia residents who are permanently and totally disabled may obtain a Disability License. A qualifying disability is an impairment of a permanent and total nature and is certified as such by the Department of Veterans Affairs, Social Security Administration, Medicaid, Medicare, or Railroad Retirement System.

LIFETIME SPORTSMAN'S LICENSES: Lifetime Sportsman's Licenses, which include Hunting, Big Game, Fishing, and Trout privileges, can be

purchased online at GoOutdoorsGeorgia.com. After logging in, select your license, upload required documents, and check out. These licenses are not available at retail agents or by phone. To apply by mail, visit GoOutdoorsGeorgia.com to print an application.

Excluded from Lifetime Sportsman's License: Free GA Waterfowl & Migratory Bird License, Federal Duck Stamp, Free SIP permit, and a Free Alligator Harvest Permit, and Harvest Record (bear, deer, turkey). Lifetime license holders will need to obtain these annually.

RESIDENT / NONRESIDENT SHOOTING PRESERVE LICENSE: Persons with an active Georgia hunting license do not additionally need a shooting preserve license. A 2-year (\$12) or lifetime (\$75) shooting preserve license is available to residents and nonresidents. This license covers hunting pen-raised game birds and fishing in any private or state waters located within the boundaries of licensed private or commercial shooting preserves. Hunter safety requirements for hunting pen-raised game birds on properly licensed shooting preserves may be met by hunter education instruction that, at minimum, demonstrates techniques for proper firearm handling, unloading, and safety. Appropriate licenses, hunter safety certification requirements, and state seasons and regulations apply when hunting wild game birds or other wildlife on shooting preserves. Exception: it shall be lawful to hunt bobwhite quail between October 1 and March 31 of the following year on licensed shooting preserves.

WHO NEEDS A FISHING LICENSE

Anglers age 16 and older must have a current Georgia fishing license in their possession while fishing in fresh or salt water in Georgia. Additionally, a free SIP is required to fish in saltwater. A temporary authorization number obtained by telephone or internet sale may be used for seven days until the paper copy is received or printed. Game Wardens may require photo identification when checking fishing licenses. **Exception:** A fishing license is not required to fish in private ponds (does not include ponds owned by governments—city, county, state, or federal) nor by a resident and their immediate family when fishing on their land. See definition of *immediate family* on page 3.

RESIDENTS (see definition, page 3)

- Proof of residency is a Georgia driver's license or official State of Georgia ID card and is required to purchase a resident fishing license.
- Georgia resident military veterans that were on active duty for 90 or more consecutive days and who were honorably discharged on or after July 1, 2005 may obtain one annual Honorary Hunting and Fishing License free of charge. Such veterans may obtain this license by providing a copy of their DD Form 214 and a completed DNR application.

- **Senior Citizens:** Georgia residents born on or before June 30, 1952 may obtain a Lifetime Sportsman's License free of charge. An optional Lifetime Sportsman's Plastic Card may be purchased for \$10. Reduced cost licenses are available for residents age 65 and older born after June 30, 1952 (see page 5).
- **Discount Disability License:** Georgia residents who are permanently and totally disabled may obtain a discounted Disability License. A qualifying disability is an impairment of a permanent and total nature and is certified as such by the Department of Veterans Affairs, Social Security Administration, Medicaid, Medicare or Railroad Retirement System.
- **Any resident who is totally blind** may apply for a Lifetime Honorary Fishing License and must provide a Physician's Certification of Blindness with the application.

NONRESIDENTS

- Nonresidents 16 or older, regardless of physical condition, must have a valid nonresident Georgia fishing license to fish in Georgia freshwater and saltwater, except in private ponds. See also **Agreements for Bordering States** on pages 58-59.
- Nonresidents under 16 do not require a fishing license or trout license.

RECIPROCAL AGREEMENTS FOR BORDERING STATES

Georgia DNR has Agreements with Alabama, Florida, North Carolina, and South Carolina allowing holders of Georgia fishing licenses to fish in the waters covered without obtaining a fishing license from the bordering state. See **Agreements with Bordering States** on page 58.

TROUT LICENSES

- Landowners and their immediate families (see definition on page 3) may fish on their premises without a trout license.
- All resident anglers ages 16 and older must have a trout license and Georgia fishing license to fish in designated trout waters and to fish for or to possess trout. See pages 61-64 for special trout regulations.
- All nonresident anglers, 16 or older, regardless of physical condition, must possess a nonresident fishing license and nonresident trout license to fish for or possess trout or to fish in designated trout waters.
- Lifetime Sportsman's, Sportsman's, Honorary (free), and Discount Disability licenses include the trout fishing privilege.
- **State park visitors** are not required to have a trout license to fish in the impounded waters of the Park. However, those visitors wishing to harvest trout will need to have a trout license in their possession.

GEORGIA HUNTING

The Georgia Department of Natural Resources manages a million acres of land and more than 100 Wildlife Management Areas for hunting, fishing, bird watching, hiking, camping and conservation education. Game Management conducts research and surveys to monitor hunter harvests, wildlife populations and habitats. Immerse yourself in the time-honored tradition of hunting while enjoying the beauty of Georgia's natural habitats.

Hunting Information

LEGAL EQUIPMENT FOR HUNTING

RESTRICTIONS

- **Convicted felons** may not possess any firearm or muzzleloading firearm while hunting unless that individual's right to carry has been restored (O.C.G.A. § 16-11-131). This does not apply to archery equipment, air bows or air rifles.
- **Loaded Weapon:** A firearm is considered loaded if a shell is in the chamber or magazine, a percussion cap is on the nipple, or powder is present on the frizzen pan. A crossbow is considered loaded if it is cocked.
- **Plugged Shotguns:** For hunting migratory game birds, shotguns shall be limited to a capacity of not more than 3 shells in the magazine and chamber combined. If a plug is necessary to so limit the capacity, the plug shall be of 1 piece and incapable of being removed from the loading end of the magazine.
- **Suppressors:** Lawfully possessed suppressors may be used for hunting, unless otherwise specified. Permission of the landowner is required on private land.

ARCHERY EQUIPMENT

Crossbows (including torsion spring models), longbows, recurve bows, and compound bows are allowed for hunting any game or feral hog. Arrows for hunting deer, bear or feral hog must be broadhead type. Draw weight, let-off, bolt/arrow-length, recovery devices, and sights are not restricted. See the Summary of Bowhunting Equipment Regulations at <https://georgiawildlife.com/hunting/hunter-resources> for more details.

PRIMITIVE WEAPONS

Archery equipment, air bows, .30-cal. or larger air rifles and muzzleloaders or muzzleloading shotguns are legal during primitive weapons season. Scopes are legal.

FIREARMS

Deer & Bear

- **Modern Rifles and Handguns:** Centerfire only, .22-cal. or larger with expanding bullets. There is no restriction on magazine capacity for rifles.
- **Shotguns:** 20-gauge or larger loaded with slugs or buckshot.
- **Muzzleloaders:** .30-cal. or larger, or muzzleloading shotguns 20 gauge or larger. Scopes are legal.
- **Air Guns:** Any air rifle of at least .30 caliber or air bow utilizing unignited compressed gas or air is legal during primitive weapons and firearms seasons.

Turkey

Shotguns with No. 2 or smaller shot, any muzzleloading firearm, any air rifle of at least .30 caliber or air bow utilizing unignited compressed gas or air. Hunters are not required to plug shotguns for turkey.

Small Game & Furbearer

- **Rifles and Handguns:** Any .22-cal. or smaller rimfire, any muzzleloading firearm, or any caliber air rifle or air gun. For fox & bobcat, centerfire firearms of .17 caliber and larger may be used (see WMA Restrictions on page 20). There is no restriction on magazine capacity for rifles.
- **Shotguns:** Any having shot shell size 3.5 inches or smaller in length with No. 2 or smaller shot.

- **Shotguns (Waterfowl):** Any 10-gauge or smaller loaded with federally approved nontoxic shot of size "F" or smaller. Lead shot may not be in possession while hunting waterfowl.

GEORGIA GAME CHECK

All alligator, bear, deer, and turkey harvests must be reported through Georgia Game Check within 24 hours. For reporting requirements on certain WMA, VPA, and State Park hunts see page 20.

HOW TO REPORT YOUR ALLIGATOR, BEAR, DEER, OR TURKEY:

Cell Phone Handy?

If you have a cell phone, enter the harvest date and county on the Harvest Record through the Go Outdoors GA App, online at [GoOutdoorsGeorgia.com](https://georgiawildlife.com), or by calling 1-800-366-2661 before moving your harvest from the site of the kill.

You can report your harvest through the GA Outdoors App when your phone has no service. Enter your harvest date and county on the Harvest Record through the App. When you get to a location with service, access the App and sync to receive your confirmation number.

No Phone? No Problem!

Log It—Enter the harvest date and county on your paper Harvest Record before moving the harvest from the site of the kill.

Report It—Within 24 hours of the kill, report your harvest by going online to [GoOutdoors Georgia.com](https://georgiawildlife.com) or calling 1-800-366-2661.

Record It—Copy the confirmation number received onto your paper Harvest Record.

TRAINING DOGS ON PRIVATE LAND

Persons training dogs for hunting must have a valid Hunting License unless they are on their own land or land of an immediate relative. There is no closed season for training dogs on private lands. It is unlawful to possess firearms (except handguns with blank or shot cartridges), axes, climbers, or other equipment for taking game while training hunting dogs, except that shotguns with No. 6 or smaller shot may be used while training pointing, flushing, and retrieving dogs using pen-raised quail and pigeons provided that the dog trainer maintains proof of purchase of pen-raised quail. It is unlawful to run deer with dogs, except during open seasons for hunting deer with dogs, or to take game by any means while training hunting dogs, except during open seasons for such game. **For specific rules & regulations for dog training on WMAs & National Forests see page 27.**

CLOSED AREAS

Counties, or parts of counties, not specifically open by law or regulation are closed to hunting. Counties open for hunting do not include lands within WMAs, PFAs, State Parks, or other State/Federal lands, except when those lands are specifically open. Hunting for all species of wildlife is prohibited on the portion of Morgan Falls Lake (Bull Sluice) lying within Fulton Co. and in Willeo Creek.

PROTECTED SPECIES

For information on protected species, please visit georgiawildlife.com.

HUNTER ORANGE/PINK REQUIREMENTS

A hunter, and anyone accompanying the hunter, must wear an outer garment with at least 500 square inches of daylight fluorescent orange or fluorescent blaze pink above the waist (which may include a head covering) when hunting:

- deer during the primitive weapons or firearms deer season
- bear during the primitive weapons or firearms bear seasons
- feral hogs during firearms deer or bear seasons

Hunter orange or blaze pink is required during primitive weapons and firearms hunts for deer, bear, and special opportunity coyote and feral hog hunts on WMAs, VPAs, and federal lands. Hunter orange or blaze pink is not required on WMA, VPAs, or Corps of Engineers tracts designated "archery-only", nor during archery deer hunts held on a WMA during the statewide primitive weapons or firearms seasons (unless otherwise indicated). Hunter orange or blaze pink is required on WMA and VPA small game hunts that are concurrent with firearms deer or bear hunts (see more information on page 20).

LEGAL HOURS

Legal hours for hunting are 30 minutes before sunrise until 30 minutes after sunset, except alligators, raccoons, opossums, foxes, coyotes, bobcats and feral hogs which may be hunted at night. Any light used to hunt raccoons, opossums, foxes, or bobcats must be carried

**Report banded birds at
www.reportband.gov**

If you harvest a bird with an aluminum leg band or metal tag attached between the webbing of the toes, report that bird!

Visit reportband.gov to report your harvest. When you do, you will receive information about when and where your bird was originally banded!

on the body of the hunter, affixed to a helmet or hat worn by the hunter, or be part of a belt system worn by the hunter. There is no voltage restriction on such lights.

Legal hours for migratory birds are 30 minutes before sunrise to sunset (see page 17). Sunrise and sunset times are available on the Go Outdoors GA App.

UNLAWFUL ACTIVITIES

- Hunting without landowners' permission, including power line, gas line, railroad and other rights-of-way. Written permission must be obtained if land is so posted.
- Hunting while under the influence of drugs or alcohol.
- Holding, possessing, releasing, or importing wildlife without a permit from the DNR.
- Concealing the taking or possession of wildlife (or parts) which the person in possession reasonably should have known was obtained illegally.
- Killing or crippling game without reasonable efforts to retrieve.
- Hunt, shoot, kill, or wound any farmed deer (e.g. elk, red deer, fallow deer, sika deer, or axis deer) or exotic wild animal (e.g. farmed deer, mouflon sheep, Barbary sheep [aoudad], antelope, etc.) held under a wild animal license for enjoyment, gain, amusement, or sport.
- Hunting or shooting from or across a public road.
- Hunting from a vehicle, plane, or boat under power.
- Selling or purchasing any game species or parts thereof, except antlers, hides, and tails of legally taken deer, tails of legally taken squirrels, hides of legally trapped furbearers, and legally taken alligator products.
- Use of a computer or any other device to remotely discharge a firearm for the purpose of hunting.
- Use of drugs, poisons, chemicals, smoke, gas, explosives, or electronically-amplified sounds to hunt any game species, except that electronic calls may be used to hunt bobcats, crows, and foxes.
- Use of any pitfall, deadfall, snare, catch, net, live decoy, or baited hook to take game species.
- Use of electronic communications equipment to aid in the pursuit of game.
- Disturbing wildlife dens, holes, or homes, or driving wildlife from their dens, holes, or homes.
- Discharging a firearm within 50 yards of a public road.
- Blinding wildlife with lights.

Chronic Wasting Disease

Chronic Wasting Disease (CWD) has been confirmed in a Georgia deer for the first time. It is a fatal neurological disease of the deer family that can cause population declines if left unmanaged. CWD hasn't been shown to infect humans, pets, or livestock.

The original positive deer was discovered through routine surveillance of a hunter-harvested deer on the Lanier-Berrien County line. Immediately following the positive confirmation, WRD staff implemented the CWD Response Plan and established a CWD Management Area. The CWD Management Area (CMA) includes the county where the positive sample was found and any county that touches a 5-mile radius around the location of the positive sample. The current CWD Management Area includes Lanier and Berrien counties.

HOW WILL DNR MANAGE CWD?

Participation from hunters and landowners is crucial to managing CWD. DNR will work directly with them in the affected area to provide guidance and support.

CWD MANAGEMENT ACTIONS

HUNTING OUT OF STATE?

If you harvest a white-tailed deer, mule deer, elk, moose, caribou, or any other species of deer outside the state of Georgia, you may bring back only the following carcass parts:

1. boned-out meat or products thereof;
2. hides with no heads attached;
3. antlers, skulls, skull plates, teeth or jawbones with no soft tissue attached (velvet antlers are okay);
4. finished taxidermy products.

REQUIRED DEER CARCASS DISPOSAL

Transporting and discarding deer carcass parts on the landscape presents risk for spreading CWD to new areas of Georgia. Proper deer carcass disposal is now required across Georgia for anyone transporting or disposing of carcasses or parts, including hunters and taxidermists. Proper disposal methods for carcasses or unused parts include:

- Leave them on the property where the deer was killed
- Use a commercial deer processor, they are required to properly dispose of unused carcass parts
- Permitted solid waste landfill (as you would for household garbage)
- Deep burial, incineration, or any other approved method in the Dead Animal Disposal Act (O.C.G.A. § 4-5-1 to 4-5-11)

CWD TESTING

Routine surveillance for CWD in hunter-harvested deer will be continued statewide and additional testing will be encouraged and available within Berrien and Lanier Counties. DNR has established relationships with taxidermists and processors to collect tissue samples for CWD testing. Hunters who use these services may have their deer tested as part of routine sampling and DNR will directly contact the hunter if a deer tests positive.

What if I want my deer tested for CWD?

If you hunt in the CWD Management Area (CMA, Berrien and Lanier Counties), testing is strongly encouraged:

- Use a participating deer processor or taxidermist
- Submit the head and 4 inches of neck at any self-serve CWD Sampling Site
- All sampling locations can be found here: <https://georgiawildlife.com/cwd>

If you hunt outside the CMA (any other Georgia County):

- Hunters who wish to have their deer tested outside the CMA can see a list of participating processors and taxidermists here: <https://georgiawildlife.com/cwd>
- Deer harvested inside the CMA are the highest testing priority, so samples collected in other counties may take months for test results.

DEER BAITING/FEEDING

If you choose to bait or feed deer in the CMA, here are practices that may reduce transmission risk:

- Broadcast the bait/feed over large areas (500+ square feet)
- Avoid trough and gravity feeders or piles on the ground
- Move feeding locations periodically to minimize buildup of excrement in soil
- Limit baiting/feeding to when you are actively hunting

Scan this QR code to learn more about CWD in Georgia:

Deer Hunting Regulations

Looking for season dates and either-sex days? Go to pages 12-13

Archers may not possess any firearms while hunting during archery deer season and primitive weapons hunters may not possess any centerfire or rimfire firearm while hunting during the primitive weapons season unless the person is a lawful weapons carrier as defined in O.C.G.A. Section 16-11-125.1, subject to the limitations of O.C.G.A. §§ 16-11-126 and 16-11-127, except where prohibited by federal law.

ARCHERY

- **Archery Only Counties:** Clayton, Cobb, DeKalb and Fulton (north of GA Hwy 92) Counties in accordance with statewide bag limits and other regulations.
- **Extended Archery Season:** Baker, Barrow, Bibb, Calhoun, Chatham, Cherokee, Clarke, Clayton, Cobb, Columbia, Decatur, DeKalb, Douglas, Early, Fayette, Forsyth, Fulton, Grady, Gwinnett, Hall, Henry, Miller, Mitchell, Muscogee, Paulding, Richmond, Rockdale, Seminole, and Thomas counties only in accordance with statewide bag limits and other regulations.
- **Chattahoochee NF & Oconee NF:** During firearms deer season, archers must follow firearms either-sex dates on the National Forest. **All Chattahoochee National Forest land east of I-75 is closed to antlerless deer hunting. Antlered bucks only.**

Archery hunting is allowed during primitive weapon and firearm deer seasons. Deer of either sex may be taken, except as otherwise specified on WMAs. Hunting on the Chattahoochee & Oconee National Forests is buck-only except as otherwise specified, see pages 48-49 for details. Archery hunters must

wear at least 500 square inches of daylight fluorescent orange or blaze pink during primitive weapons and firearms deer seasons, except in archery-only counties or WMAs.

PRIMITIVE WEAPONS

Statewide, excluding archery-only counties. Scopes are legal. Air rifles of .30 cal or larger and air bows are legal. During the statewide primitive weapons deer season and WMA primitive weapons hunts, **youth under 16 years of age may hunt deer with any legal deer firearm.**

SEASON LIMIT

10 antlerless deer and 2 antlered deer. One of the two antlered deer must have a minimum of 4 points, 1 inch or longer, on either antler or a minimum 15-inch outside antler spread to be legal. (Special county antler restrictions noted in next section).

COUNTY-WIDE ANTLER RESTRICTIONS

Dooly & Macon: antlered bucks must have a minimum outside antler spread of 15 inches to be legal.

Hancock, Harris, Meriwether, Montgomery, Randolph, Talbot & Troup: antlered bucks must have a minimum of 4 points, 1-inch or longer, on either antler or a minimum 15-inch outside antler spread to be legal.

CHECKING YOUR DEER

All deer hunters are required to have a Harvest Record for the current season. Additionally, harvested deer must be reported through Georgia Game Check within 24 hours (see Georgia Game Check on page 8).

ANTLERS

Antlerless deer are those having no visible antlers above the hairline (including "button bucks") and may only be taken during either-sex or antlerless seasons or hunts. During "buck-only" hunts or seasons, a deer must have antlers visible above the hairline to be legal for harvest.

HEAD OF DEER

It is unlawful to remove the head of a deer until the deer is processed, surrendered to a storage facility for storage or processing, or head is submitted for Chronic Wasting Disease (CWD) testing.

TRANSPORTING DEER HARVESTED BY ANOTHER HUNTER

Persons transporting deer harvested by another hunter must possess, in writing, the complete name, address, telephone and hunting license number of the person who harvested the deer, and the Game Check confirmation number.

COOLER LOCKERS

Whole or field-dressed deer received by a cold-storage or meat processing facility must be marked with the hunter's name, date, county of harvest and sex of deer. Hunters must provide the Game Check confirmation number to the facility when dropping off a deer. A list of processors is available at GoHuntGeorgia.com.

LAKES, STREAMS AND PONDS

It is unlawful to take a deer by any means while it is in a lake, stream, or pond.

RIGHTS-OF-WAY/TRANSMISSION TOWERS

Hunting from a stand or platform attached to a transmission tower is trespassing and is prohibited. Written permission must be obtained from the landowner to hunt on power line, gas line, railroad, or other rights-of-way.

Need Advice on Managing Deer and Turkeys on your property or hunt club?

Georgia's Deer Management Assistance Program has biologists dedicated to helping hunt clubs and landowners meet their objectives through habitat and herd management recommendations.

YOU CAN HELP get venison from the woods to a local food bank and onto the tables of those in your community that need it most. Donate a deer at a participating processor during the hunting season.

This partnership program is brought to you by the Georgia Wildlife Federation and the Georgia DNR Wildlife Resources Division, along with cooperation from the Georgia Food Bank Association and Municipal Development Services, LLC.

FIND A PARTICIPATING PROCESSOR

Visit gwf.org/ghfth or scan the QR code for the current list of processors.

Interested in becoming a participating processor? Visit gwf.org/ghfth and apply.

Dog-Deer Seasons

Hunting deer with dogs is allowed in select counties by permit only. Hunting deer with dogs is allowed on leased properties of at least 1,000 contiguous acres or privately-owned properties of at least 250 acres that are permitted by DNR. Permits are specific to only one piece of property and only one permit application per property should be submitted. Applications for a permit must be received at least 30 days prior to hunting deer with dogs. Applicants wishing to hunt on opening day must submit an application by Sept. 19, 2025. Applications are available at gadnrle.org/special-permits. The permit number must be clearly marked on all dogs and all vehicles being used during the hunt. Call (770) 918-6408 for specific rules and regulations.

See Seasons and Bag Limits on pages 16-17

ALLIGATOR

Please visit our website, GoOutdoorsGeorgia.com for complete alligator hunting rules and regulations, and zone information.

Check Your Alligator: Harvested alligators must be reported through Georgia Game Check within 24 hours (see page 8).

Season: August 15 (sunset) - October 6 (sunrise)

Quota Process: Alligator harvest is by permit only. To enter the selection process, log into your account at GoOutdoorsGeorgia.com.

Application Period: June 1 - July 15

Legal Weapons: Hand-held ropes or snares, snatch hooks, harpoons, gigs, or arrows with restraining line attached. Lawfully restrained alligators may be killed with any caliber handgun or bangstick.

BEAR

LIMIT

Two bears per season, however, only one bear may be taken from the Central or Southern Zone.

STATEWIDE RESTRICTIONS

It is unlawful to kill a female bear with cub(s) or bears under 75 pounds. No hunting bears over bait.

REPORTING HARVESTED BEARS

- All bear hunters are required to have a Harvest Record for the current season.
- Harvested bears must be reported through Georgia Game Check within 24 hours (see page 8).
- Additional checking and tagging requirements are listed under each bear zone.
- List of approved cooperators may be found at <https://georgiawildlife.com/bear-info>. Hours may vary; contact cooperators for hours and details.

Northern Bear Zone

Carroll, Fulton, DeKalb, Gwinnett, Walton, Barrow, Jackson, Madison, Hart and all counties north.

Youth (under 16 years of age) may hunt bear with any legal bear firearm during the Primitive Weapons season.

Restrictions: Hunting bears with dogs is prohibited except as specified for Chattahoochee & Chestatee WMAs (page 31).

Checking & Tagging:

- Bears killed during bonus deer hunts must be reported via Georgia Game Check and taken on the day of kill to the check station for sample collection and tagging.

- Within 3 business days, bears (minimum of hide and skull) must be taken to any Game Management Office (except Fitzgerald) during regular business hours or to a state approved cooperator for biological data collection and tagging.
- Harvested bears may also be checked at any WMA check station in the counties listed above that are open for a bear or bonus deer hunt between 8 a.m. - 8 p.m.

Central Bear Zone

Bibb, Bleckley, Houston, and Twiggs Counties.

Restrictions: No hunting bears with dogs. No hunting bears on WMAs.

Checking & Tagging:

- Harvested bears must be tagged at the Oaky Woods WMA check station between noon and 9 p.m. on the day of the hunt(s).

Southern Bear Zone

Brantley, Camden, Charlton, Clinch, Echols, Lanier, Lowndes and Ware counties.

Restrictions: Hunting with dogs is allowed, except in Lanier and Lowndes Counties, where only still hunting is allowed.

HUNTING REGULATIONS

ALLIGATOR, BEAR, FERAL HOG, SMALL GAME & TURKEY

Checking & Tagging:

Bears (minimum of hide and skull) must be tagged within 24 hours at one of these locations:

- Fargo Georgia Forestry Commission Office – Thursdays and Fridays 11 a.m. - 7 p.m.; Saturdays noon - 9 p.m., all hunt days
- Folkston Georgia Forestry Commission Office – Thursdays, Fridays, and Saturdays: 10 a.m. - 6 p.m., all hunt days. Saturdays 12 p.m. - 9 p.m.
- Dixon Memorial WMA – Sept. 25-27; 8 a.m. - 8 p.m.
- After hours, call 1-800-241-4113, or 912-262-3173 on the following business day to arrange tagging.

FALCONRY

Valid falconry permit and hunting license required. For season dates and limits for small game see page 16.

FERAL HOG

PRIVATE LANDS

Limit: No limit, no closed season.

Feral hogs may be hunted at night on private land. Hunting over bait is allowed. No hunting from a vehicle under power.

LICENSE REQUIREMENTS:

Residents: All residents 16 years of age or older must possess a hunting license to hunt or trap feral hogs except when hunting on land owned by them or their immediate family (blood or dependent relationship) residing in the same household.

Nonresidents: Must possess a nonresident hunting license.

Exemptions to many of these restrictions for agricultural producers are available by permit. Contact your local Game Management Office for details see page 1.

LEGAL WEAPONS ON PRIVATE LAND

Any legal weapon. Additional weapon restrictions apply on WMAs and federal lands.

WMAS AND NATIONAL FOREST LANDS

Limit: No limit.

Hogs may be taken with primitive weapons during primitive weapons deer season, archery equipment during archery deer season, with deer weapons during firearms deer season, with turkey weapons during turkey season and with small game weapons during small game season. No night hunting. No hunting over bait. Hunting license requirements must be met. Hunter orange or blaze pink is required during firearms and primitive weapons deer and bear hunts. See page 27 for dog training seasons and rules. See pages 48-49 for Federal Lands.

TRANSPORTING & RELEASE

It is unlawful to transport a live feral hog without a permit from the Georgia Department of Agriculture (GDA). Feral hogs captured alive by a person without a valid GDA permit must be killed prior to transport. Release of any live feral hogs into an area that is not fenced in accordance with GDA regulations is prohibited. Any persons convicted of the transport or release of live feral hogs may be subject to losing hunting privileges for up to three years and a fine up to \$5,000.00, but not less than \$1,500.00. Transport and possession of live feral hogs are regulated by GDA; contact the Livestock & Poultry Program at 404-656-3665 for more information or visit <http://agr.georgia.gov/feral-hogs.aspx>.

PROCESSING

Any facility that processes hogs for a fee, including deer processors, must obtain a license to operate from the Meat Inspection Section of the Georgia Department of Agriculture. For more information, deer processors may contact the Georgia Meat Inspection office at 404-656-3673. Licensing requirements do not apply to individuals who process feral swine for their own use.

DISEASE PRECAUTION

Feral hogs can carry infectious diseases that are transmissible to people. To avoid possible exposure: wear plastic gloves when field-dressing feral hogs; wash hands with soap and hot water immediately afterwards; avoid direct contact with blood and reproductive organs; cook thoroughly; and properly dispose of all waste.

SMALL GAME

(See page 16 for seasons and bag limits)

BOBCAT & FOX

Bobcats and foxes may be hunted with small game firearms or centerfire firearms of .17 caliber or larger. Electronic calls may be used. Hunting with dogs allowed. Night hunting allowed.

TRAPPING

Complete trapping regulations are available at GoHuntGeorgia.com. See pages 16 & 21 for seasons.

TURKEY

LIMIT

Daily: 1 gobbler per hunter
Season: 2 gobblers per hunter
WMAs, VPAs, & National Forest lands: 1 gobbler per area per hunter (see page 20)

CHECK YOUR TURKEY

All turkey hunters are required to have a Harvest Record for the current season. Additionally, harvested turkeys must be reported through Georgia Game Check within 24 hours (see page 8).

SPECIAL OPPORTUNITY SEASON

Season is for youth under 16 years of age and mobility-impaired persons (i.e. confined to wheelchair, hemiplegia, monoplegia, paraplegia, or single-leg amputation above the knee). Such hunters must be accompanied by a licensed adult (18 years or older) who can call but may not take or attempt to take a turkey. **This season does not apply to public lands unless otherwise specified.**

TURKEY SURVEY

All turkey hunters are encouraged to participate in the Turkey Hunting Population Survey to record turkey observations and hunter success during the spring season. Visit georgiawildlife.com/turkey-info.

BANDED TURKEYS

Hunters harvesting a banded turkey are asked to report their harvest at georgiawildlife.com/turkeyband or call 706-557-3350.

UNPROTECTED SPECIES

Coyotes, armadillos, groundhogs, beavers, starlings, pigeons, English sparrows, and nutria are unprotected species. No closed season. No limit. Electronic calls may be used for hunting coyotes.

Justin Edalgo with his turkey harvest from a 2025 Hunt & Learn program.

Big Game, Small Game & Trapping 2025-2026 Seasons, Dates & Limits

Hunting seasons, dates, and bag limits on WMAs, PFAs, State Parks, and federal lands may differ from those below. See pages 28-49 for specific dates in the area specific listing.

	SPECIES	SEASON	DATES	LIMITS & RESTRICTIONS
BIG GAME	Deer	Archery	Sept. 13 - Oct. 10	See pages 12-13 for either sex days.
		Extended Archery: See page 11 for counties.	Jan. 12 - 31	12 per season, Statewide. No more than 10 may be antlerless and no more than 2 may be antlered. One of the 2 antlered deer must have at least 4 points, one inch or longer, on one side of the antlers or at least a 15-inch outside spread. See page 11 for requirements in counties with antler restrictions.
		Primitive Weapons & Youth-Only Firearms (see page 11)	Oct. 11 - Oct. 17	
		Firearms*	Oct. 18 - Jan. 11 Oct. 18 - Jan. 15 (Baker, Decatur, Calhoun, Early, Grady, Miller, Mitchell, Seminole, & Thomas Counties)	*Firearms deer hunting is not allowed in Clayton, Cobb, DeKalb, Fulton (north of GA Hwy 92), and that portion of Glynn County lying within Jekyll Island. In the portion of Forsyth County south of GA Hwy 20 only shotguns and muzzleloaders may be used (no other firearms allowed). In Baker, Calhoun, Decatur, Early, Grady, Miller, Mitchell, Seminole, & Thomas Cos., the first 2 weeks of archery is buck only.
	Bear	Northern Zone	Archery: Sept. 13 - Oct. 10 Primitive Weapons & Youth Only Firearms: Oct. 11 - 17 Firearms: Oct. 18 - Jan. 11	Two per season, provided, however, no more than one of these may be taken from the Central or Southern Zones. See pages 8 & 14 for bear harvest and reporting requirements. See page 20 for reporting requirements for bears harvested on WMAs.
		Central Zone	Firearms: Dec. 20*	
		Southern Zone	Firearms: Sept. 18-20, Sept. 25-27, Oct. 2-4, Oct. 9-11	*If fewer than 6 female bears are harvested on Dec. 20 then a 2nd hunt day will be opened in January (please visit www.georgiawildlife.com after Dec. 22).
	Turkey	Special Opportunity, Statewide	Mar. 21-22, 2026	Only for youth under 16 years of age and mobility-impaired persons (see page 15). This season does not apply to public lands unless otherwise specified.
		Private Lands	Mar. 28 - May 15, 2026	2 Gobblers per season; Daily bag limit of 1 (including Special Opportunity season). On WMAs, VPAs, & National Forest lands: 1 gobbler per area per person. See individual WMA listings for specifics pages 28-49.
		WMAs, VPAs & National Forest	Apr. 4 - May 15, 2026	
SMALL GAME	Alligator	Zone & Quota Limited	Aug. 15 (Sunset) - Oct. 6 (Sunrise)	1 per quota permit holder
	Fox & Bobcat	Statewide	Dec. 1 - Feb. 28	No limit
	Grouse	Statewide	Oct. 15 - Feb. 28	3 per day
		Falconry	Oct. 1 - Mar. 15	3 per day
	Quail	Statewide	Nov. 8 - Feb. 28	12 per day
		Falconry	Oct. 1 - Mar. 15	12 per day
	Rabbit	Statewide	Nov. 11 - Feb. 28	12 per day
		Falconry	Oct. 1 - Mar. 15	12 per day
	Raccoon & Opossum	Private lands	No closed season	No limit
		Public lands	Aug. 15 - Feb. 28	No limit
TRAPPING	Squirrel	Statewide	Aug. 15 - Feb. 28	12 per day
		Falconry	Aug. 15 - Mar. 15	12 per day
	Bobcat, Fox, Mink, Muskrat, Otter, Skunk, Weasel	Statewide	Dec. 1 - Feb. 28	No limit
	Raccoon, Opossum	Statewide	No closed season	No limit

Migratory Birds

2025-2026 Species, Dates & Limits

	SPECIES	SEASON	DATES	LIMIT*
MIGRATORY BIRDS	Canada Goose	Statewide	Sept. 6-28 Oct. 11-26 Nov. 22-30 Dec. 6 - Jan. 25	5 per day, combined
	Brant	Closed		
	Common (Wilson's) Snipe	Statewide	Nov. 15 - Feb. 28	8 per day
	Coot	Statewide	Nov. 22 - Nov. 30 Dec. 6 - Jan. 25	15 per day
		Falconry	Sept. 6-28, Oct. 11-26, Nov. 15-16, Nov. 22-30, Dec. 1 - Jan. 25	3 per day 9 in possession
	Crow	Statewide	Nov. 2 - Feb. 28	No limit
	Mourning Doves	Statewide	Sept. 6 - Oct. 12 Nov. 22 - Nov. 30 Dec. 19 - Jan. 31	15 per day
	Ducks	Statewide	Nov. 22 - Nov. 30 Dec. 6 - Jan. 25	6 per day; no more than 4 may be sea ducks See Species Limits
		Falconry	Sept. 6-28, Oct. 11-26, Nov. 15-16, Nov. 22-30, Dec. 1 - Jan. 25	3 per day 9 in possession
	Gallinules	Statewide	Nov. 22 - Nov. 30 Dec. 6 - Jan. 25	15 per day
	Harlequin	Closed		
	Mergansers	Statewide	Nov. 22 - Nov. 30 Dec. 6 - Jan. 25	5 per day
	Snow Goose & White-fronted Goose	Statewide	Oct. 11-26 Nov. 22-30 Dec. 6 - Jan. 25	5 per day
	Sora and Rails	Statewide	Sept. 8-13 Oct. 6 - Nov. 30	King & Clapper: 15 per day Sora and Virginia: 25 per day
			Sept. 6-28, Oct. 11-26, Nov. 15-16, Nov. 22-30, Dec. 1 - Jan. 25	3 per day 9 in possession
	Teal	Statewide	Sept. 13-21	6 per day
	Woodcock	Statewide	Dec. 6 - Jan. 19	3 per day

* Possession limits are 3 times the daily bag limit.

FEDERALLY REGULATED MIGRATORY BIRDS

The U. S. Fish and Wildlife Service (USFWS) regulates the harvest of migratory birds by establishing framework (opening and closing dates, maximum season length, and maximum bag limits) within which states can set their migratory bird hunting seasons. Georgia annually establishes waterfowl and late-season migratory bird hunting season dates and bag limits that maximize opportunity within the framework adopted by the USFWS.

In addition to State regulations, Federal rules apply to the taking, possession, shipping, transporting, and storage of migratory birds. Each hunter should also consult official Federal Regulations, which may be found in: Title 50, Code of Federal Regulations, Part 20.

GA WATERFOWL AND MIGRATORY BIRD LICENSE

A GA Waterfowl & Migratory Bird License is required for any person age 16 and older who hunts migratory birds (doves, ducks, geese, woodcock, snipe, coots, soras, rails, or gallinules). A free GA Waterfowl & Migratory Bird License is available for all resident Landowners hunting their own land and also for any Sportsman's License, Youth Sportsman's License, Disability Sportsman's License, Disability Hunting License, Honorary License or Lifetime Sportsman's License holder.

FEDERAL DUCK STAMP

Federal Duck Stamp is required for all waterfowl hunters 16 years of age or older including resident landowners and their immediate family. Due to the passing of the Duck Stamp Modernization Act of 2023 and related to purchasing this Stamp through [GoOutdoorsGeorgia.com](https://www.gooutdoorsgeorgia.com), electronic Duck Stamps are now valid when

	SPECIES	LIMIT*
DUCKS	Black or Mottled	1 per day
	Canvasback	2 per day
	Fulvous Whistling	1 per day
	Mallard	2 per day (only 1 may be a hen)
	Pintail	1 per day
	Redhead	2 per day
	Scaup	1 per day
SEA DUCKS (SCOTER, EIDER, LONG-TAILED DUCK)	Wood Duck	3 per day
	Eider	3 per day (only 1 may be a hen)
	Long-tailed duck	3 per day
	Scoter	3 per day

purchased and between July 1st and June 30th of the following year. Physical Duck Stamps are no longer required, but they will be mailed by a federal fulfillment center following March 10th after the electronic Duck Stamp purchase. This Stamp is also available at US Post Offices, 1-800-STAMP24, or usps.com.

LEGAL HOURS

ALL MIGRATORY BIRDS: ½ hour before sunrise to sunset.

FEDERAL YOUTH, ACTIVE DUTY MILITARY, & VETERANS WATERFOWL DAYS

Nov. 15-16, 2025

Youth under 16 years of age may hunt waterfowl or geese on these days. An adult at least 18 years of age must accompany the youth into the field but may not hunt. Additionally, active duty military and veterans may hunt waterfowl or geese on these days in accordance with all other license requirements and bag limits.

CROWS

Electronic calls may be used. Crows may be taken outside of these dates only when causing agricultural damage.

EURASIAN COLLARED DOVES

May be taken at any time; no limit.

NON-TOXIC SHOT

Any 10-gauge or smaller loaded with federally approved nontoxic shot of size "F" or smaller. No lead shot may be in possession while hunting waterfowl.

HUNTING REGULATIONS

MIGRATORY BIRDS 2025-2026 SPECIAL REGULATIONS

POSSESSION OF MIGRATORY BIRDS HARVESTED BY ANOTHER

Persons possessing migratory birds harvested by another hunter must possess, in writing, the hunter's signature, address, total number of birds harvested by species and dates of harvest.

BANDED BIRDS

Hunters harvesting any banded migratory bird should go to the Bird Banding Laboratory website at www.reportband.gov to report the band number and how, when and where it was recovered.

FALCONRY (FOR MIGRATORY BIRDS)

Valid falconry permit and hunting license required. For season dates and limits for waterfowl see page 17.

CAUTION: More restrictive regulations may apply to National Wildlife Refuges open to public hunting. For additional information on Federal Regulations, contact Special Agent-in-Charge, U.S. Fish and Wildlife Service, 75 Spring Street, S.W. Atlanta, GA 30303 or call 404-679-7057.

SPECIAL REGULATIONS

LAKES ALLATOONA & LANIER RESTRICTIONS:

No hunting allowed within 600 feet of a dock, house, structure, bridge, road, boat ramp, marina or open recreation area. Contact the local Game Management Region Office (see page 1) for open dates, closed recreation areas open for hunting and other special rules for waterfowl hunting on Lakes Allatoona & Lanier, or visit georgiawildlife.com/migratory-bird-info.

GEORGIA POWER LAKES (IN NORTH GEORGIA):

No hunting allowed within 300 feet of any dock, house, boat ramp, marina or open recreation area without permission from the lease or property owner.

Lakes open for duck and goose hunting: Lake Burton, Lake Seed, Lake Rabun, Tallulah Falls Lake, Lake Tugalo and Lake Yonah. Contact the Game Management Region 2 Office at 770-535-5700 for dates and other special rules for waterfowl hunting on Georgia Power Lakes in North Georgia, or visit georgiawildlife.com/migratory-bird-info.

LAKE WALTER F. GEORGE (LWFG):

No hunting allowed on the portions of LWFG in Georgia within 600 feet of a dock, house, structure, bridge, road, boat ramp, marina, or open recreation area. Waterfowl hunting from land is prohibited outside of the specified "Hunting Areas". A Corps permit **is required** to hunt waterfowl on all areas of the lake, except the Eufaula NWR. Information on how to purchase a permit (in person or by mail only): www.sam.usace.army.mil or 229-768-2516.

LAKE BLACKSHEAR, LAKE OCONEE, LAKE SEMINOLE, LAKE SINCLAIR & LAKE OLIVER (SOUTH OF STANDING BOY CREEK):

No hunting allowed within 300 feet of a dock, house, structure, bridge, road, boat ramp, marina or open recreation area.

Shooting Range Opportunities

ARCHERY AND FIREARMS RANGES

DNR provides recreational archery and target firearms shooting ranges around the state. For the convenience of range visitors, rules are posted at all ranges. Hearing and eye protection are required at all firearms ranges. Please visit GoHuntGeorgia.com or call at 706-557-3355 for hours, complete rules, and specific range information. We hope you will enjoy visiting one of our ranges soon.

Land Access: Any person, ages 16 and older, entering a WMA or PFA must possess a valid license for hunting or fishing or a Lands Pass (exclusions apply). Visit www.georgiawildlife.com/LandAccess for a list of all public properties and access requirements.

GEORGIA PUBLIC HUNTING OPPORTUNITIES

Explore Georgia's rich hunting heritage through its diverse public hunting grounds. From the rugged mountains of the north to the coastal plains of the south, our state's public lands offer a haven for pursuing a variety of game, including deer, turkey, and ducks. With regulations in place to ensure sustainable practices, Georgia's public hunting areas provide an accessible and rewarding experience for hunters of all levels.

General WMA Regulations

WILDLIFE MANAGEMENT AREAS (WMAS)

WMAs, VPAs, and State Parks offer unique hunting opportunities based upon factors such as size, habitat, topography, access, wildlife population dynamics and public desires. Therefore, each area has specific rules and regulations. Being familiar with Unlawful Actions (page 21), information that follows, and regulations for a specific area can ensure you have an enjoyable experience.

Land Access: Any person, age 16 and older, entering any WMA or PFA must have a valid GA license that allows hunting or fishing or a Lands Pass (exclusions apply). Visit www.georgiawildlife.com/LandAccess for a list of all public properties and access requirements. Areas that require a valid license to hunt or fish or a Lands Pass are marked with signage at the site or entrance. Passes and licenses may be purchased at GoOutdoorsGeorgia.com, by calling 1-800-366-2661, or through license vendors.

Any individual(s) or organization(s) desiring to sponsor or conduct an event, activity, or series of events or activities involving more than eight individuals or are engaged in commercial activities on a WMA or PFA may be required to obtain a "Right of Entry" agreement (ROEA) from the Department. Contact the respective Game Management office for more details (see page 1).

Maps: Interactive maps for all areas are available at georgiawildlife.com/AllWMAs. Maps may also be found at check stations, kiosks, and region offices.

Fees on National Forest Lands: Fees may be charged for camping, ATV/ORV trails, shooting ranges, and boat ramps on the National Forest. These fees apply to all users. For more information, visit www.fs.usda.gov/visit/passes-permits/recreation-fees-passes or contact any U. S. Forest Service Office.

WMA ACTIVITIES

CAMPING is allowed year-round unless otherwise indicated in the area listing. Camping and campfires must be in designated campgrounds unless otherwise posted at the check station. Camping, or establishment of a campsite, is limited to a maximum of 14 consecutive days, after which the campsite must be vacated and all personally owned property or physical features of the camp must be removed for a period of not less than 7 days. During that 7-day period a new campsite may not be established within the boundaries of the same WMA or within 1 mile straight-line radius of the vacated campsite by the same person(s).

Designated DNR-managed campgrounds may have a fee and/or require reservations. Payments and reservations may be made online at GoOutdoorsGeorgia.com or by calling 1-800-366-2661.

No musical instruments, radios, televisions, generators or other noise making devices may be used after 10:00 p.m. in a manner that they may be heard by other WMA users. (Note: Medically needed devices or aids to disabled persons are permitted.)

Loaded firearms are prohibited in camping areas, except that any lawful weapons carrier as defined in O.C.G.A. Section 16-11-125.1 may carry such firearm subject to the limitations of O.C.G.A. §§ 16-11-126 and 16-11-127, except where prohibited by federal law.

No carving, cutting, chopping or damaging of live or standing trees.

NATIONAL FOREST LANDS: Camping is allowed anywhere unless otherwise indicated or signed. Forest Service camping regulations apply on WMAs located on National Forest lands.

HIKING & OTHER RECREATIONAL USES are allowed year-round, unless otherwise posted at the WMA check station or at a specific recreation site. All WMA visitors are encouraged to wear daylight fluorescent orange/blaze pink during open hunting seasons. Specific recreation sites may be closed as needed for management purposes.

COLLECTING FIREWOOD: Only trees that are dead and down may be cut and used for firewood on WMAs. Annual firewood cutting permits are issued for personal use by the Game Management Region Office. On National Forests, firewood permits are available from the district U. S. Forest Service offices.

MOTOR VEHICLES, ATVS, HORSES & BICYCLES

All motor vehicles are restricted to roads open for vehicular access. ATVs may only be operated on open roads within WMAs during the period between 2 hours before sunrise

PUBLIC HUNTING

GENERAL WMA REGULATIONS

and 2 hours after sunset one day prior to and during big game, small game, and hog only hunts by hunters actively participating in the hunt (except where otherwise specified).

“Open Roads” are roads not closed with a gate, sign, earthen berm or similar device intended to prevent vehicular access. Motor vehicles (including ATVs, dirt bikes, utility vehicles, golf carts, and other off-road vehicles) must meet applicable safety, licensing, insurance and registration requirements for use on public roads. Vehicle and ATV operators must be at least 16 years old. Roads may be closed at the discretion of DNR. Vehicles may not be parked in such a way as to block an open or closed roadway, or gate.

ON NATIONAL FOREST LANDS, including WMAs on the National Forest, ATVs are restricted to designated ATV trails unless posted otherwise.

HORSES AND BICYCLES

Horses and bicycles are allowed on open roads, designated trails, or designated areas (some specific area restrictions may apply). Bicycles may be used on closed roads for the purpose of hunter access. Electric bicycles (750 watts or less) may be used the same as pedal powered bicycles. Those exceeding 750 watts are restricted to roads open for vehicular access. Horses may be used off roads and trails during permitted field trials.

ON NATIONAL FOREST LANDS, horses and bicycles may be used on lands not otherwise closed. Electric bicycles are restricted to roads open for motor vehicles. Horses, bicycles, and electric bicycles are prohibited on the Appalachian Trail.

ROAD CLOSURES

There are reasons why roads may be closed to motor vehicles. Some roads are intended for Official Use Only (e.g., timber harvest, habitat management, emergency response). Roads that are typically closed may be open during managed hunts or during certain high-use periods to improve access and evenly distribute hunters. Before visiting a WMA:

- Go to **GoHuntGeorgia.com** for notices of road closures.
- Obtain a WMA map that denotes area specific access.
- Contact the Game Management Region Office (page 1) regarding questions pertaining to the specific status of roads or access features.

HUNTING, FISHING & TRAPPING

Sign-in is required for all bear, deer, and turkey hunts unless otherwise noted for a specific area listing. Sign in only once for each hunt segment or season. Sign-in can be done online at **GoOutdoorsGeorgia.com** except for some

State Park Hunts and some coastal island WMA hunts. Sign-in available the day prior to the hunt.

Bag limits are the same as statewide limits unless otherwise specified below or for a specific area listing. All alligator, bear, deer, and turkey are to be recorded on your harvest record and reported in Georgia Game Check (page 8) except as otherwise specified below.

DEER

All deer hunts or seasons are either-sex unless otherwise noted in the area listing. On areas with antler restrictions in effect, all deer hunts are quality buck and antlerless unless otherwise noted in the area listing.

BONUS DEER HUNTS: No more than two (2) deer may be killed unless otherwise noted in area listing. On areas with antler restrictions in effect, no more than one (1) of the two (2) deer may be an antlered buck. Deer killed on bonus hunts are not to be recorded on your deer harvest record or reported in Georgia Game Check. Instead, deer are to be taken on day of kill to the check station where agency staff will tag the deer. Deer can be brought to the check station whole, field dressed, or quartered along with head.

TURKEY

Bag limit is statewide limit except that no more than one (1) gobbler per season may be taken per a single WMA, department-managed land, or National Forest lands outside of WMAs unless otherwise noted in the specific area listing.

BEAR

All harvested bears must be Game Checked and tagged (See page 14 for specific requirements by bear zone). Bear killed during bonus deer hunts are to be taken on day of kill to the check station where agency staff will tag the bear.

MIGRATORY BIRDS

CROWS, SNIFE, SORA, RAILS AND WOODCOCK may be hunted during the statewide seasons (pages 17-18) for each species unless otherwise specified.

DOVE: On opening day, hunters may not enter a managed dove field or set up more than one hour before shooting hours unless otherwise noted in area listing. Dove hunters may not enter the field prior to 1 hour before sunrise.

DUCK hunting on managed impoundments at Altamaha (Butler & Champney Islands), B. F. Grant, Oconee, Rum Creek, and West Point (Grovers Creek) WMAs and Cordele Hatchery is by quota only. Hunters must hunt from assigned areas or ponds. Shooting hours end at noon, except the last Saturday of the season when hunting is allowed until sunset. See page 25 for quota hunt information.

Waterfowl on all other WMA locations may be hunted any day of the waterfowl season or as otherwise specified.

GOOSE hunting is allowed on WMAs when the area is open for small game, except on managed waterfowl impoundments and managed dove fields. On managed waterfowl impoundments, geese may be taken by drawn hunters during the statewide goose season.

SMALL GAME, ALLIGATORS, FALCONRY

Small game and furbearers may be hunted subject to statewide seasons and bag limits (page 16) except as otherwise specified below and noted for a specific area listing.

Small game and furbearer hunting are not allowed during quota hunts for any species unless otherwise noted in the specific area listing.

Daylight fluorescent orange or blaze pink is required on small game hunts (except dove and waterfowl) concurrent with firearms deer or bear hunts.

ALLIGATORS may be taken on small game dates and big game dates, day or night, during statewide alligator season by quota permit holders only, unless otherwise noted in the specific area listing. See page 14 for more information.

COYOTES may be taken anytime a WMA is open to hunting, but hunters may only use weapons legal for the species for which the area is open. During small game hunts and dates, centerfire firearms are not allowed. Additionally, coyote season is May 16-31 on all WMAs with any legal weapon, unless otherwise specified in the WMA specific area listings. Hunters are required to wear fluorescent orange or blaze pink and no night hunting or baiting is allowed. Electronic calls may be used.

FALCONRY: Small game may be taken on WMAs (including field trial and archery only areas) by permitted falconers during the state falconry season (see page 16) unless otherwise noted in the specific area listing.

FERAL HOGS may be taken anytime a WMA is open to hunting, but hunters may only use weapons legal for the species for which the area is open. During small game hunts and dates, centerfire firearms are not allowed. On some WMAs during the May 16-31 coyote season, feral hogs may be taken unless otherwise noted in the specific area listing. Electronic calls may be used. No night hunting or baiting allowed. On WMAs where feral hogs can be taken during May 16-31, any legal weapon may be used, and hunters are required to wear fluorescent orange or blaze pink. Dogs are NOT allowed unless otherwise specified. When dogs are allowed, they must be marked with the hunter's name and a valid phone number. Hogs must be killed immediately upon capture. No night hunting is allowed.

FOX SQUIRREL bag limit is one per person per day on all WMAs, VPAs, and department-managed lands.

RACCOONS, OPOSSUMS, FOXES & BOBCATS may be hunted at night unless otherwise noted in

the specific area listing but is restricted to small game weapons only (no centerfire rifles). Hunters must pick up their dogs by noon on the day following the hunt. Electronic calls may be used for bobcat and fox. No centerfire rifles during small game dates, day or night.

AFTER YOUR SUCCESSFUL HUNT

All hunters must make an effort to properly dispose of all portions of their game carcasses after processing (see page 10). Please do not discard carcasses within 1,500 feet of any campground or within 125 feet of any road or trail. Only carcasses of deer harvested on the WMA may be disposed of on the area legally. Do not dump multiple game carcasses in one spot.

FISHING

Fishing is allowed on WMAs unless otherwise posted. A fishing license is required to fish on all WMAs (a trout license is additionally required to fish in mountain trout waters).

TREE STANDS & HUNTING STRUCTURES

Hunting structure: any portable tree stand, ground blind, stool, chair, bucket, waterfowl blind, or other similar device used for the purpose of hunting.

Hunters may not construct or hunt from any tree stand that is not portable or natural. Tree

stands may not be placed on utility poles or other structures supporting utility lines. For big game and feral hog hunts, hunting structures shall not be placed any sooner than one day prior to the hunt and shall be removed from the WMA no later than noon the day following the hunt. For small game hunts, hunting structures may be placed and shall be removed from the WMA only on the day of the hunt. **Exception:** Opening day of dove season hunters shall not enter a managed dove field and hunting structures shall not be placed on a managed dove field prior to 1 hour before sunrise.

TRAPPING

Limited opportunities to trap on certain WMAs are available by permit only. Such opportunities are available on: Albany Nursery, B. F. Grant, Big Lazer Creek, Blanton Creek, Bullard Creek, Clayhole, Crockford-Pigeon Mtn, Dawson Forest, Dixon Memorial, Elmodel, Joe Kurz, Penholoway, Rum Creek, Tuckahoe, West Point, and Yuchi WMAs. Contact the appropriate region office (page 1) for further details or to apply for a permit.

YOUTH HUNTS AND SUPERVISION

Youth under the age of 16 must be accompanied by an adult 18 years or older and directly

supervised, which means the licensed adult must remain in a position to take immediate control of the youth's firearm at all times.

Big Game (bear, deer, turkey) Hunts: One adult shall supervise no more than one child. Only the youth may hunt. The adult may not hunt. All youth big game hunts are firearms hunts unless specified otherwise.

Small Game Hunts: One adult may directly supervise no more than two children (under 16 years of age). Adults and children may hunt, provided that the adult is directly supervising a child who is actively participating in the hunt, unless otherwise noted in the specific area listing.

VOLUNTARY PUBLIC ACCESS (VPA) LANDS

Since 2014, through a USDA grant, the DNR Wildlife Resources Division (WRD) has been able to enhance its WMA program through temporary agreements with private landowners for public hunting opportunities. Some of these VPA opportunities are listed on pages 46-47, but some may not be included due to deadlines. For an up-to-date list of properties, please visit GoHuntGeorgia.com.

UNLAWFUL ACTIVITIES ON WMAs

- Man-drives during deer hunts. A man-drive is defined as an organized hunting technique involving three (3) or more hunters using a coordinated effort to drive deer or feral swine from cover to another hunter for the purpose of shooting.
- Placing bait or wildlife food and hunting any game species or feral hog over bait.
- Target practicing, except on an authorized shooting range.
- Driving a vehicle around any gate, sign, earth berm, or similar device intended to prevent vehicular access.
- Hunting within 50 yards of any road opened for vehicular access. See pages 48-49 for National Forests.
- Hunting within a posted safety zone or no hunting zone.
- Consuming alcohol except at designated camp sites (this regulation does not apply on National Forest lands).
- Operate any motor vehicle, including off-road vehicles, in a reckless and negligent manner, or in a manner that willfully causes damage to roads, ditches, wildlife habitat, berms, firebreaks, campgrounds or parking areas.
- Using motor vehicles, signage, flagging tape, or any other method(s) to close or restrict access to roads, trails or any other access features.
- Using metal detectors or collecting artifacts.
- Using paintball equipment (this regulation does not apply on National Forest lands).
- Trapping except that special permits may be issued for certain WMAs.
- Possessing alcohol while hunting on National Forest lands.
- Possessing a cocked crossbow in a motor vehicle.
- Possessing a loaded firearm in a motor vehicle during a legal open hunting season for that area unless such person is a lawful weapons carrier as defined in O.C.G.A. Section 16-11-125.1.
- Hunt any big game species, feral hogs, or coyotes with dogs unless otherwise specified.

Youth Hunts

🔵 Quota Hunt
🟡 Bonus Deer Hunt

🦌 Antler Restricted
👤 Youth Hunt

On Big Game Youth Hunts, only the youth may hunt (under 16 years of age). On Small Game Youth Hunts, both the youth (under 16 years of age) and the supervising adult may hunt. See page 23 for more information on applying for quota hunts.

Rum Creek (MARSH Project)	Q3 Dec. 20, Jan. 10
West Point - Glovers Creek	Nov. 15

Quota Hunts

QUOTA HUNT — A hunt that allows a predetermined number of hunters to participate. A quota is used to conserve the natural resources (wildlife and their habitats) and to provide a quality hunting experience. A list of Youth Quota Hunts is on pages 22-23. A list of Mobility Impaired Quota Hunts is on page 26. A list of General Quota Hunts is on pages 24-25.

PRIORITY POINTS

An applicant is awarded one priority point if not selected for the quota hunt. Each person listed on a group application that is not selected is awarded a priority point. Priority points may be used on an application to increase the likelihood of selection. You may wager as many points as you have when applying for a quota hunt, not exceeding the lowest held by any group member. Only the number of points needed to win the hunt will be taken if you are selected. Visit the quota hunt webpage at **GoHuntGeorgia.com** to determine how many priority points may be required to get selected for your favorite hunt.

APPLICATION DEADLINES

The official application deadlines are 11:59 p.m. (EST) on the dates listed in the tables below. No applications are accepted after the deadline.

DOG-BEAR QUOTA HUNTS

APPLICATION PERIOD: AUG. 1 - AUG. 15

AREA	TYPE	QUOTA	DATES
Chattahoochee / Chestatee WMAs	Dog Hunting	Q15	Oct. 4-12

Don't Shoot Doves on Utility Lines

- Shooting at lines could knock out important utilities for your neighbors.
- If you're unsure about how close you are to a line, you're probably too close.
- Damaging utility lines could lead to serious charges for hunters or landowners.

Dove, Specialty & Mobility-impaired Hunts

The Specialty Hunt information listed below is for quick reference only. See Specific WMA Regulations for all details pertaining to the hunts listed below. **These hunts are not quota unless specified otherwise.**

DOVE QUOTA HUNTS

For dove hunts designated as quota, hunters must apply and be selected to participate. See page 23 for quota hunt information.

Dog Training

TRAINING DOGS ON WMAS & NATIONAL FORESTS

Unless otherwise specified, training dogs for the purpose to pursue any small game or furbearer on a WMA is allowed when a WMA has an open season for small game.

Except for bears and hogs (dates provided under Training Dogs on Chattahoochee National Forest), the training season for dogs on the Chattahoochee National Forest and Oconee National Forest is Aug. 1 - Sept. 7, Jan. 2 - March 31, 2026

All dogs must be confined or kept on a leash except when hunting or training during designated seasons or on designated areas. Hunters must remove their dogs upon departure. Review specific area listing for seasons and restrictions.

Restrictions:

- It is unlawful to run deer with dogs unless otherwise specified (see Dixon Memorial, Paulks Pasture, Sansavilla, and Townsend WMAs). Hunters whose dogs are found chasing deer may be appropriately charged.
- Hunters are allowed to hunt raccoons with trail dogs only.
- Trail dogs for rabbits are limited to beagles, basset hounds and dachshunds.

BIRD DOG TRAINING ON WMAS

Some WMAs allow bird dog training year round during daylight hours (see list to right) except as otherwise noted in the area specific listing. All participants must have a hunting license.

- Pigeons and pen-raised quail may be used for the training of pointing, flushing and retrieving dogs in designated areas only.

- Dog trainer must maintain proof of purchase for pen-raised quail used in training.
- Shotguns may be used to harvest released birds during training with No. 6 or smaller shot only.

FURBEARER DOG TRAINING ON WMAs

Some WMAs allow furbearer dog training Aug. 1-14 and Mar. 1-19 (see list to right) except as otherwise noted in the area specific listing.

TRAINING BEAR & HOG DOGS ON CHATTAHOOCHEE NATIONAL FOREST

The pursuit of bears and hogs for the purpose of training dogs: Aug. 1 - Sept. 7, Jan. 2 - Mar. 31 during legal daylight hours.

Requirements for all participants:

- Possess a valid Hunting license and Big Game license.
- Sign-in once per season online at www.georgiawildlife.com

Requirements and restrictions for dogs:

- Each dog must be marked with hunter's name, address and telephone number.
- All dogs must be removed from area upon departure.
- It is unlawful to allow dogs to pursue bears onto lands not authorized for such activity.

LOOK FOR THESE SYMBOLS IN A SPECIFIC WMA LISTING:

-  Bird dog training allowed
-  Furbearer dog training allowed
-  Rabbit dog training allowed

ATTENTION GROUSE HUNTERS

The GAME Lab at UGA is seeking assistance from hunters, birdwatchers, and other outdoor enthusiasts to collect genetic materials from ruffed grouse. The research is examining genetics of grouse across the landscape to better understand the declining grouse population in Georgia. Genetic materials include:

- Feathers.
- Small pieces of muscle.
- Blood.
- Roadkill grouse.
- Fecal samples from grouse drumming logs OR let UGA researchers know precise locations of drumming logs.

Specific WMA & PFA Hunting Regulations

This section of the 2025-2026 Hunting Seasons and Regulations provides information related to lands managed for hunting by Wildlife Resources Division.

Small game and furbearers may be hunted subject to statewide seasons and bag limits (page 16) except during quota hunts and unless otherwise specified in a specific area listing.

Unless otherwise specified, any season not listed follows the statewide regulations.

Please review the legend below. Each listing will have a list of applicable symbols located in its header as a quick reference.

HOG DOWN AWARDS PROGRAM

WIN A HOG TRAP

Feral hogs are an invasive species that spread disease and cause extensive damage to wildlife habitat and agricultural crops. Trapping to remove large groups is the most efficient way to combat this destructive species, but traps are expensive.

To reward significant hog control efforts and arm individuals with better tools, the Georgia DNR will award 20 hog traps valued at \$3,500 each through quarterly drawings (5 traps/quarter) beginning July 1, 2025. Details at link.

SCAN QR CODE FOR RULES & ENTRY DETAILS*

GeorgiaWildlife.com/HogDownAwardsProgram

*Rules and Details Subject to Change

Voluntary Public Access (VPA) Lands

Since 2014, through a USDA grant, the DNR Wildlife Resources Division (WRD) has been able to enhance its public land hunting program through temporary agreements with private landowners to provide public hunting opportunities. Some of these VPA opportunities are listed below, but some may not be included due to deadlines. For an up-to-date list of properties, please visit GoHuntGeorgia.com. State laws and regulations and WMA Rules (pages 19-21) apply. Hunting opportunities are limited to those species and dates specified for each VPA property.

APPLING COUNTY DOVE FIELD VPA

HITCHITI EXPERIMENTAL FOREST

Hitchiti Experimental Forest is only open during Piedmont Refuge hunting seasons with a valid Piedmont Refuge hunting permit and in accordance with Refuge regulations. See Piedmont NWR listing.

AREA NOTES

On all National Forest lands, discharging a firearm or any other implement capable of taking human life, causing injury, or damaging property, is prohibited: within 150 yards of a residence, building, campsite, developed recreation site, or occupied area; across or on a National Forest Service road or across a water body; or, into or within a cave. Pursuit of bears with dogs is prohibited. Hogs may be taken only during daylight hours consistent with regulations above. Coyotes may be taken during hunts; weapons are restricted to legal firearms and archery equipment for the game species specified for a particular hunt as indicated heretofore; electronic calls may be used; night hunting is prohibited. Placing, leaving, or depositing any food, bait or refuse in a manner likely to attract or concentrate any wildlife, whether for purposes of hunting or viewing animals, is prohibited. It is also prohibited to fail to properly store food or refuse to prevent access by wildlife.

AREA NOTES

Refuge permits are required for all hunts. Quota deer and turkey hunt permits must be purchased from Piedmont Refuge's Recreation.gov page at recreation.gov/camping/gateways/1565. Permit fee required

for all quota hunts. Feral hogs may be taken on quota deer hunts.

Information will be posted on Recreation.gov and the refuge web page for how and when you buy hunt permits. These are limited quota hunts but will no longer be selected by lottery. Mobility-impaired hunters must provide medical documentation stating that they are confined to a wheelchair for mobility to be eligible to participate in the mobility-impaired deer hunt. Contact the refuge office prior to September 15, 2025. Baiting is prohibited. No May 16-31 coyote season. Contact the refuge office to obtain general hunt permits and refuge specific hunting regulations (478-775-4907) or email piedmont@fws.gov

SAVANNAH NWR

843.784.2468

Hunting for deer, turkey, waterfowl, dove, squirrel, raccoon, rabbit, opossum, beaver, armadillo, feral hog, and coyote is offered. No alligator hunting. All hunters 16 years of age or older must purchase a \$25 Savannah Coastal Refuges Complex Annual Hunt Permit at www.recreation.gov/activitypass/savannah-complex-hunt-permit. Visit www.fws.gov/refuge/savannah for season dates, refuge regulations, and more information.

WASSAW NWR

YOUTH & NEW HUNTER PROGRAMS

FOR 2025-2026

photo credit: Phillip Prichard/GNPA

Hunter Education Program

georgiawildlife.com/education

This is a required program for anyone age 16 and up who plans to hunt (and is a requirement for many of our youth programs). Students learn how to be safe and responsible with firearms.

S.H.A.R.P. Program

georgiawildlife.com/sharp-program

Are you an adult or youth hunter with limited experience or success? The "Safe Harvest and Responsible Practices" (S.H.A.R.P) program at Charlie Elliott Wildlife Center provides new hunters with the basic knowledge and skills required to confidently pursue Georgia's wild game on their own.

Give It a Shot Program

georgiawildlife.com/give-it-a-shot

Would you like a hands-on approach to firearms and shooting? The Give It a Shot Program is designed to help those who are new to shooting learn the basics.

Buck Shoals WMA & Clybel WMA

georgiawildlife.com/learntohuntfish

Buck Shoals WMA and Clybel WMA offer a variety of youth and adult hunt and learn programs and youth quota hunt opportunities.

Scholastic Clay Target Program

georgiawildlife.com/sctp

The Georgia Independent Schools Association and the Georgia Association of Private and Parochial Schools offer SCTP as a varsity team sport. Students who have completed hunter education have the opportunity to school trap, skeet and sporting clays with the help and support of trained coaches focused on firearm safety.

National Archery in the Schools Program

georgiawildlife.com/NASP

NASP is an in-school archery program for students in grades 4-12.

Summer Camps

georgiawildlife.com/camps

Youth of all ages have fun learning about the outdoors together at day camps and residential camps held throughout the summer at Charlie Elliott Wildlife Center in Mansfield.

OUTDOORS BEYOND *BARRIERS*

From hunting to fishing or hiking to paddling, enjoying the outdoors should be accessible for everyone. The Georgia Department of Natural Resources (DNR) meets that challenge head on with the **Outdoors Beyond Barriers** adaptive program. This program seeks to educate, encourage, and empower those with disabilities, such as mobility impairments, to connect with nature by providing gateways to enjoy hunting, fishing, and other outdoor recreational opportunities.

OPPORTUNITIES:

- **Adaptive Hunting Programs:** These application-based, multi-day programs provide guided experiences with specialty equipment, such as EcoRover Chairs, and will take place across the seasons and state.
- **Adaptive Fishing Programs:** These single-day programs pair with local community fishing and small group events across the state to provide specialty equipment, such as EcoRover Chairs, for those who need it to enjoy the experience.
- **Specialty Hunts:** DNR offers specialty hunts that provide disability license holders with dedicated public land access opportunities and early opportunity hunts on private land.
- **Fishing Access:** All Georgia DNR Public Fishing Areas (11 areas around the state) and 35 Georgia State Parks offer accessible fishing piers and facilities, and all coastal public fishing piers are ADA-accessible.
- **Birding and Wildlife Viewing:** DNR sites (Parks, WMAs, PFAs, and Education Centers) offer a multitude of accessible piers and trails.
- **Shooting Ranges:** Six accessible DNR public shooting ranges.
- **Cabins and Campsites:** State Parks, Wildlife Management Areas, and Public Fishing Areas offer accessible cabins and campsites across the state.
- **Water Access:** Accessible kayak launches are available at Hard Labor Creek and Jack Hill State Parks with fully accessible offerings coming to Tallulah Gorge, Stephen C. Foster, and Vogel State Parks.
- **Horseback Riding Access:** Accessible horse ramps at Charlie Elliott Wildlife Center/Clybel WMA, Don Carter State Park and A.H. Stephens State Park.
- **Action Trackchairs:** 19 all-terrain wheelchairs available for free at 19 Georgia State Parks across the state.
- **EnChroma Colorblind Glasses:** Glasses are available at three state parks – Cloudland Canyon, Sweetwater, and Skidaway State Parks.

GET KIDS *Hooked!*

With over 500,000 acres of lakes and 16,000 miles of streams in Georgia, there are plenty of opportunities to get kids hooked on fishing.

FISHING WITH KIDS: GeorgiaWildlife.com/kidsfishing

Find out more about introducing your child to fishing, such as:

- Kids Fishing Event locations and dates
- Places to take kids fishing
- Tips for fishing with kids
- Downloading a "My First Fish" Certificate

YOUTH FISHING CAMPS & PROGRAMS

Find out more about youth angler camps and programs:

- Fishing Workshops & Summer Fishing Day Camps at Go Fish Education Center (GoFishEducationCenter.com/education-gfec).
- Fish-n-Learn Education Programs for youth ages 7-15. (GeorgiaWildlife.com/FishAndLearn)
- The Charlie Elliott Center offers multiple day and overnight camps for youth, including the Gone Fishin' Overnight Camp for youth ages 11-13. (GeorgiaWildlife.com/camps).

EDUCATIONAL PROGRAMS: GeorgiaWildlife.com/educational-resources

Plan a school trip to one of the regional wildlife education centers in Georgia. Each center offers hands-on, nature based programming around fishing and wildlife conservation. The Go Fish Education Center in Perry, GA offers interactive, hands-on lessons, live fish and wildlife exhibits, fishing simulators and so much more!

GIVE THE GIFT OF FISHING!

Got a young angler in the house? Gift them a lifetime license as a child and save hundreds. It's never too early!

GEORGIA

FRESHWATER

FISHING

With more than 500,000 acres of lakes, 12,000 miles of warm water streams and 4,000 miles of trout streams, Georgia is home to excellent freshwater fishing opportunities. Our commitment to conservation ensures that the fisheries in these waters remain vibrant and healthy. Discover the freshwater fishing experience, where pristine lakes, winding rivers and streams beckon anglers of all levels.

General Regulations

FRESHWATER GAME SPECIES DAILY LIMITS

- It is unlawful to take in one day or to possess at any one time, except at a residence or commercial storage facility, more than the daily limit for each species. It is unlawful to possess more than a total of 50 individuals of all the game fish listed in this section, except channel and flathead catfish. **New:** See page 55 for actual creel limits.
- Once the daily limit for a particular species is taken, it is unlawful to continue to fish for that species.

Exception: Daily limits differ on certain waters shared by Georgia and South Carolina. See **Agreements with Bordering States** (pages 58-59).

SEASONS

There is no closed season for fishing in freshwater in Georgia except for the following:

- Flint, Chattahoochee and Spring Creeks:** The Flint River and its tributaries from the Georgia Power Co. dams at Albany to the US Hwy 84 bridge; the Chattahoochee River and its tributaries from the Columbia Lock and Dam to the GA Hwy 91 bridge; and Spring Creek and its tributaries downstream to GA Hwy 253 are CLOSED to striped bass fishing and spear fishing from May 1 - October 31 each year.
- Lake Seminole:** All fishing, including spear fishing, for any species in the marked areas around five fish refuges in Lake Seminole is prohibited from May 1 - October 31 each year.

- Coosa River:** The season for taking lake sturgeon from the Coosa River and its tributaries is CLOSED. See **GoFishGeorgia.com** for more information on this closure and how to identify this fish.
- Noodling or Grabbling:** The season is open March 1 - July 15 statewide in freshwater.

LENGTH LIMITS

Note: There are no minimum length limits on freshwater game fish unless they are listed below, or on pages 59-62. All lengths are Total Length (see "How to Measure Fish," page 74). You must release all fish shorter than the minimum length indicated for that species.

LARGEMOUTH BASS

12 inches statewide **except:**

- Lake Blackshear: 14 inches
- Lake Blue Ridge: no minimum (0 inches)
- Lake Burton: no minimum (0 inches)
- Lake Juliette: no minimum (0 inches)
- Lake Lanier: 14 inches
- Lake Oconee: 14 inches
- Lake Lindsay Grace: bass between 15 and 22 inches must be released immediately. All others may be kept. In addition, only one bass may be greater than 22 inches.
- Lake Walter F. George: 14 inches
- West Point Reservoir: 14 inches
- Public Fishing Area lakes operated by the Department of Natural Resources: 14 inches. This limit will not apply to lakes which have been posted as having a different length limit for largemouth bass.

SHOAL BASS

15-inches statewide **except:**

- Flint River downstream of Warwick Dam (Lake Blackshear): Bass between 15 and 20 inches must be released immediately. All others may be kept.

SPOTTED BASS

- Lake Lanier: 14 inches

STRIPED BASS, WHITE BASS, & HYBRID WHITE-STRIPED BASS

You may only keep two fish of the total limit that are 22 inches or longer, **except:**

- See agreement with South Carolina (page 58)**
- The minimum length for all fish is 22 inches on the North Newport River, Medway River including Mount Hope Creek, Little Ogeechee River, Ogeechee River; Oconee River downstream of GA Hwy 22 in Milledgeville; Ocmulgee River downstream of GA Hwy 96 bridge between Houston and Twiggs counties; Altamaha River, Saint Mary's River, Satilla River, and the tributaries to these river sections; and from saltwater.
- The minimum length is 27 inches on the Savannah River and its tributaries downstream of J. Strom Thurmond Dam (2 fish limit).
- See table on page 55 for full details.

FISHING GEAR MUST BE REGULARLY CHECKED

- Attend to gear such as limb lines and minnow traps. (Anglers are encouraged to check all gear within 24 hours).
- Make every reasonable effort to retrieve lost gear (including hooks, line and lead sinkers).
- Recycle used fishing line.

CREEL AND POSSESSION NOTE TO ANGLERS

Creel and possession limits are per person. For Game Wardens to correctly determine compliance with these limits, each individual should keep trout or other fish on separate stringers or in separate creels. It is unlawful for one individual to possess more than the

legal limit of any fish species. For possession restrictions on Dukes Creek see page 62.

FRESHWATER TURTLES

Individuals may not possess more than 10 freshwater turtles (any combination of species) without a valid permit. There is no closed season for the harvest of freshwater turtles, however, taking of species protected by federal or state law is prohibited. For more information on turtling regulations see GeorgiaWildlife.com/turtling.

FISHING ON WILDLIFE MANAGEMENT AREAS

According to statewide regulations or as otherwise posted, fishing is allowed on WMAs. Alcohol use is prohibited on WMAs except

in designated camping areas. Refer to the Hunting Regulations section of this guide for a complete list of WMA regulations.

FISHING WITHOUT PERMISSION

It is unlawful to fish on someone else's property without permission. Game Wardens and other law enforcement officers are charged with enforcing this law. Always ask permission before entering private land.

Permission is not required to fish in the Chattahoochee or Oconee National Forests, on Wildlife Resources Division Public Fishing Areas (PFAs) or Wildlife Management Areas (WMAs), or in Georgia State Parks (gastateparks.org) as long as all applicable state regulations are followed.

Game Species Daily Limits

SPECIES		DAILY LIMIT	EXCEPTIONS
Bass	All black bass species (Genus <i>Micropterus</i>).	10	• Total daily limit of 10 black bass, only 5 of which may be Altamaha, Bartrams, Chattahoochee, Coosa, Shoal, Smallmouth, Suwannee, Tallapoosa. • Lake Lindsay Grace (Wayne Co.) — Only one bass may be greater than 22 inches.
Catfish	Channel and/or Flathead	No limit	—
Crappie	Black and/or White	30	—
Pickereel	Chain, Grass and/or Redfin	15	—
Shad	American and/or Hickory	8	—
Striped Bass, White Bass and/or Hybrid White-Striped Bass	—	15, only two of which can be 22 inches or longer.	• Limit taken from the North Newport River, Medway River including Mount Hope Creek, Little Ogeechee River, Ogeechee River, Oconee River downstream of GA Hwy 22 in Milledgeville, Ocmulgee River downstream of the GA Hwy 96 bridge between Houston and Twiggs counties, Altamaha River, St. Mary's River, Satilla River, and the tributaries to these river sections; and from saltwater is a two fish limit, both of which must be 22 inches in length or longer. • Limit taken from the Savannah River and its tributaries downstream of J. Strom Thurmond Dam is a two fish limit, both of which must be 27 inches in length or longer. • Limit taken from Lake Richard B. Russell from the Russell Dam to Lake Hartwell Dam and Lake Secession Dam, all tributaries to Lake Richard B. Russell is two (2) striped bass per day, only one (1) of which can exceed 34 inches in length. • See the Fishing Regulations for shared waters for Georgia and South Carolina on page 58.
Sunfish or Bream	Bluegill, Flier, Redbreast, Redear, Rock bass, Spotted sunfish, Warmouth and/or Shadow bass	50	Bream: See South Carolina Agreement on page 58.
Trout	Brook, Rainbow, Brown trout, and any hybrids of these species	8	See Amicalola Creek, Chattahoochee River, Chattooga River, Smithgall Woods, Smith Creek, Toccoa River, and Waters Creek on pages 61-64. See the new limits for shared waters of Georgia and South Carolina on page 58.
Walleye	—	8	—

See page 59 for special limits on Public Fishing Areas.

See table on page 74 for other species that may be found in freshwater.

Sturgeon – May not be taken in fresh or saltwater in Georgia.

Fishing Methods

HOOK & LINE

- There is no restriction on the number of poles and lines used to fish for game fish **except**:
 - Fishing for trout in designated trout waters: 1 pole
 - Fishing on Public Fishing Areas: 2 poles
 - Sport shad fishing: 2 poles
- Anglers using more than two poles and lines to fish for shad must abide by commercial shad regulations.
- Landing nets may be used to land fish legally caught.
- Game fish may be used as live bait (where live bait is legal) if they are taken legally and you do not exceed daily creel and possession limits.

SPORT TROT LINES

- A sport trotline is one line or a combination of lines using less than 51 hooks. Sport trotlines must be:
 1. Marked with the owner's name and address and with visible buoys, and
 2. Submerged at least three feet below the surface of the water, and
 3. Attended regularly and removed after the completed fishing trip.
- Unmarked or unattended trotlines will be confiscated by DNR. It is unlawful to use any sport trotline within one-half mile below any lock or dam.
- Only catfish and nongame fish (year-round) and American and Hickory shad during shad season may be taken with trotlines.
- Trotlines are not permitted on Lake Tobesofkee or any State Park Lake or at any Public Fishing Area.
- Use of 51 or more hooks is considered Commercial Fishing (see page 64).

SET HOOKS & JUGS

- Only catfish and nongame fish (year round) and American and Hickory shad during shad season may be taken with set hooks and jugs.
- It is illegal to use jugs and set hooks on Lake Tobesofkee, any State Park Lake, or at any Public Fishing Area.
- A sport fishing license is required to fish with set hooks and jugs in Georgia.
- There are no other restrictions on the use of set hooks and jugs (number of, dimensions, materials, etc.).
- DNR encourages anglers using these methods to check them regularly, remove them at the end of the fishing day, and avoid areas popular with recreational boaters.

SPEAR FISHING

- "Spearing" is the use of a handheld spear or similar device and the use of a weapon, other

than a firearm, which propels the spear to which a wire, rope, line, etc. is attached and secured to the weapon or the person using the weapon.

- Only nongame fish, and catfish as described below, may be speared in freshwater and are not to be sold or used for commercial purposes.
- The taking of flathead and channel catfish by spear may be done any time day or at night by light in the Savannah River and its tributaries and impoundments in the Savannah River Basin only.
- All spears must have barbs or other devices to recover fish and must be attached to a line secured to the person using the weapon.
- A sport fishing license is required to spear fish in Georgia.
- The person spearing fish must be completely submerged.

Note: See **Seasons** on page 54.

CAST NETS, BOW NETS, MINNOW SEINES & TRAPS

- Dip nets and cast nets may be used to take threadfin shad, gizzard shad, and blueback herring for bait except cast nets may not be used in State Park Lakes or at any Public Fishing Area.
- Bow nets are considered sport shad fishing gear and shall have a minimum legal size of 3½ inches stretched mesh.
- Up to 50 nongame fish 5 inches in length or less may be taken using a minnow seine or trap and are not to be sold or used for commercial purposes.
- All other fish and eels taken in a minnow seine or trap must be released immediately unharmed into the water.
- A minnow seine must be less than 20 feet in length and have a 3/8 inch or less mesh (square or diameter).
- A minnow trap must be less than 24 inches in length, 18 inches in width, or 9 inches in height for a rectangular trap; or, 30 inches in circumference for cylindrical traps. The throat opening must be no larger than 1 inch, and bar mesh must not be smaller than 1/4 inch (square or diameter).
- Each minnow trap must have an attached tag or float bearing the name and address of trap owner.
- An individual may deploy up to 2 traps at any time.
- In addition to designated trout waters, minnow seines and traps may not be used in the following water bodies:
 - Mainstem of Etowah River upstream of Lake Allatoona and all Etowah River tributary streams that enter the Etowah River within or upstream of Lake Allatoona.

- Raccoon Creek and its tributary streams in Paulding and Bartow counties.
- Entire mainstem of the Conasauga River and all Conasauga River tributary streams entering the Conasauga mainstem from the east.
- Coosawattee River and all tributary streams upstream from Carter's Lake Dam and the Coosawattee River between Carter's Lake and its confluence with the Conasauga River.
- Mainstem of Talking Rock Creek.
- Mainstem of South Chickamauga Creek downstream from Swanson Mill Dam.

BOW FISHING

Nongame fish (see note below for catfish information) may be taken by bow and arrow from freshwater under the following conditions:

- Possession of a sport fishing license is required to bow fish in Georgia.
- Arrows must be equipped with barbs or similar devices for recovering fish and must be attached to the person or bow by a line sufficient for recovering the arrow and fish.
- Poisonous or exploding arrowheads are illegal.
- Arrows cannot be discharged into the water closer than 150 feet to anyone engaged in any other means of recreation.
- Legal hours for fishing with bow and arrow are from sunrise to sunset, except that fish (nongame) may be taken at night while using a light in reservoirs over 500 acres in size.
- Any game fish with an open wound possessed by a person bow fishing will be considered evidence of taking fish illegally.
- Know your target – the take of protected species is unlawful.
- **Note:** Any catfish species, even those that are game fish, may be taken by bow and arrow in the waters of Georgia any time during the day or at night by the use of a light.

NOODLING

- Is legal in Georgia's freshwater from March 1 - July 15 with a sport fishing license.
- The only species of fish that may be taken by hand, **without** the aid of any device, hook, snare, net or other artificial element and without the use of any scuba equipment, air hose or other artificial breathing apparatus are flathead, channel and blue catfish.
- It is not legal to alter any natural or man-made features in order to attract or capture fish by hand. It is not legal to raise any part of a natural or artificial device out of the water to aid in the hand capture of enclosed fish.

IN GEORGIA**IT IS UNLAWFUL TO:**

- Possess or use live blueback herring for bait in all fresh waters except the following: Lakes Allatoona, Bartlett's Ferry, Blue Ridge, Chatuge, Goat Rock, Juliette, Lanier, Nottely, Oliver, and West Point; and the Altamaha River watershed downstream of the following: Juliette dam on the Ocmulgee River, Lake Juliette dam on Rum Creek, Lake Tobesofkee dam on Tobesofkee Creek, Lake Sinclair dam on the Oconee River; and watersheds of all other streams that flow directly into the Atlantic Ocean (this drainage includes Lakes Hartwell, Russell, Clarks Hill, Burton, Tugaloo, and Rabun).
- Possess and fish with live blueback herring in Alabama waters.
- Fish for game fish, except American shad, hickory shad, channel catfish, blue catfish, or flathead catfish, by any means other than pole and line.
- Take any fish from public freshwater by any method other than the methods listed on this page. Snagging fish is illegal.
- Use electronic devices, explosives, poisons, or firearms to take fish.
- Stock or release fish or bait into any public waters except the water from which it was taken.
- Discard fish caught in public waters.
- Take protected species.

Boating

BOAT REGISTRATION

- All boats that carry any means of mechanical propulsion (electric trolling motor and/or gas motor) and all sailboats 12 feet and longer must be registered.
- You may register or renew online at **GoBoatGeorgia.com**
- A Boat Registration Application by mail can be obtained from **GoBoatGeorgia.com**
- Register or renew by phone at **800-366-2661**.
- Georgia honors all other states' registrations, provided the boat is not used in excess of 60 consecutive days in Georgia.

- No motor in excess of 25 hp may be operated on Lake Juliette or Lake Tugalo.
- Georgia State Park lakes often have boat and motor restrictions. Check with the Park Office at each park for details.

BOATING SAFETY

- No vessel may be operated above idle speed within 100 feet of any moored or anchored vessel, vessel adrift, or any wharf, pier, piling, or persons in the water, or shoreline

next to a full or part-time residence, public park, public beach, public swimming area, marina, restaurant, or other public use area.

- Tybee, Sea, St. Simons, and Jekyll Islands have temporal (May 1 - Sept. 30) 1,000 ft. safety zones.

- It is unlawful to operate a vessel while under the influence of alcohol or drugs.
- To learn about boating education please visit **GoBoatGeorgia.com**
- Visit **GoBoatGeorgia.com** for complete boating regulations.

PERSONAL FLOTATION DEVICES

- A wearable personal flotation device (PFD) is required for each person aboard a vessel. PFDs must be readily accessible to all occupants, in good and serviceable condition, legibly marked with the US Coast Guard approved number, and of appropriate size for the occupants. One Type IV throwable device must also be on board all vessels except Class A vessels (boats less than 15' 11" which also includes personal-watercraft, canoes and kayaks).
- Children under age 13 must wear a PFD when the vessel is under way, unless the child is within a fully enclosed cabin.
- PFDs must be worn by each person aboard a vessel in an area marked as "hazardous area."

OUTBOARD MOTOR RESTRICTIONS

- No motor in excess of 9.9 hp may be operated on the Ogeechee River upstream of State Hwy 119.

STOP THE SPREAD!

GeorgiaWildlife.com/ans

Help keep aquatic nuisance species (ANS) out of Georgia. Non-native or introduced species present problems for many of our native fish and plant populations. Help by practicing the 4 R's:

- **REFRAIN** from relocating fish or aquatic plants to areas in which they are not native.
- **REMOVE** any non-native species you catch while fishing.
- **REPORT** any non-native species you encounter to your local fisheries office.
- **REMEMBER** to practice CLEAN, DRAIN AND DRY after returning to the boat ramp.

Below are just a few examples of ANS. Find more examples and information at GeorgiaWildlife.com/ANS

Northern Snakehead

Zebra Mussel

Water Hyacinth

Mystery Snail

Tiger Shrimp

Agreements With Bordering States

Agreements with bordering states allow holders of Georgia fishing licenses to fish in the waters covered without obtaining a fishing license from the bordering state.

Note: Regulations under these agreements may differ from Georgia's general laws and regulations. If this is the case, the laws and regulations of the agreement explained in this section are to be followed.

ALABAMA

WATERS COVERED

The banks and waters of only that portion of the Chattahoochee River forming the boundary between Georgia and Alabama and Lakes Bartletts Ferry (Harding), George W. Andrews, Goat Rock, Oliver, Seminole, Walter F. George (Eufaula) and West Point; however, this agreement does not include that portion of West Point Reservoir lying upstream (north) of Georgia Hwy 109 bridge on the Chattahoochee River arm of the reservoir. The waters covered by this agreement do not include other streams or tributaries which flow into the Chattahoochee River or its impoundments or the portion of Lake Seminole covered by the agreement with Florida or Lake Weiss.

LICENSES

All persons meeting the sport fishing requirements of Georgia or Alabama may fish from the banks and in the waters covered without having to obtain any other license.

MINIMUM LENGTH LIMITS

- **Largemouth bass:**
 - Lake West Point: 14 inches
 - Lake Walter F. George: 14 inches
- All other fishing laws and regulations of the State of Georgia apply in Georgia waters covered by this agreement.

CREEL AND POSSESSION LIMITS

All creel and possession limits on waters covered by this agreement are the same as Georgia's statewide limits.

- **Note: It is illegal to possess and fish with live blueback herring in Alabama waters covered by this agreement.**

SOUTH CAROLINA

WATERS COVERED

On the banks and in the waters of all channels of the Savannah River from its mouth to the junction of the Tugaloo (Toogaloo) and Seneca Rivers; the Tugaloo River from its mouth to the junction of the Tugaloo and Chattooga Rivers; and the Chattooga River to the North Carolina state line (35th parallel of North latitude at Ellicott's Rock). This agreement also applies to all the waters and banks of Clarks Hill Reservoir (Strom Thurmond), Richard

GEORGIA - SOUTH CAROLINA BORDER WATERS RECIPROCAL AGREEMENT

SPECIES	WATER BODY	POSSESSION LIMIT	SIZE LIMIT
Striped bass or hybrid bass or combination	Lakes Hartwell and Clarks Hill	10	Only 3 may be over 26 inches
Striped bass or hybrid bass or combination	Lake Russell	2	Only 1 may be over 34 inches
Striped bass, hybrid bass, white bass or combination	Savannah River downstream of Clarks Hill dam	2	27-inch minimum length limit
White bass	All border waters covered except for Savannah River downstream of Clarks Hill dam (see above for size limit).	10	No size limit
Trout	All border waters covered	5	No size limit
Bass (largemouth, spotted, redeye, smallmouth or combination)	All border waters covered	10	12-inch minimum length for largemouth bass
Walleye or Sauger or combination	All border waters covered	8	No size limit
Aggregate of all game fish (does not include catfish)*	All border waters covered	40	

All other laws and regulations of Georgia apply in the Georgia portion of waters covered by this agreement.

*** List of Game Fish in South Carolina differs from Georgia.**

Note: South Carolina regulations differ for crappie and bream.

B. Russell Reservoir, Hartwell Reservoir, Yonah Lake, Tugaloo (Toogaloo) Lake, the New Savannah Bluff Lock and Dam, and Stevens Creek Lake (except that portion on the Stevens Creek arm upstream of South Carolina Hwy 53). The agreement does not apply to any flowing portions of tributary streams to these impoundments nor to tributary streams of the Savannah, Tugaloo and Chattooga Rivers.

LICENSES

- All persons meeting the freshwater license requirements of Georgia or South Carolina may fish from the banks and in the waters covered without having to obtain any other license.
- This agreement does not apply to commercial fishing or saltwater sport fishing.
- A South Carolina saltwater fishing license is required when fishing from a boat on the South Carolina side of the Savannah River downstream of where the CSX Railroad trestle crosses the Back River.

LENGTH, CREEL AND POSSESSION LIMITS

See Georgia-South Carolina chart above for the length, creel and possession limits for the border waters covered by this agreement.

GENERAL NOTES

- Any person using baskets, jugs, minnow seines, trot lines, or other set hooks in the waters covered must comply with the laws, rules and regulations of the state in which

the baskets, jugs, minnow seines, or trot lines are fished, regardless of their residence.

- No person may carry to either state or possess in such state more fish than the laws of that state or those of this agreement permit, even though the fish were caught in the waters of the other state.

FLORIDA

WATERS COVERED

- The waters and the banks of the St. Mary's River, not including its tributaries.
- The waters and banks of Lake Seminole, bounded on the west by Florida State Road No. 271; on the south by the Jim Woodruff Dam; on the east by the line immediately east of the Chattahoochee Marina (also known as the Booster Club) running northwest across the reservoir to the tip of land at the junction of the Flint and Chattahoochee Rivers, west of Spring Creek; and on the north by the Herman Talmadge Bridge across the Chattahoochee River (please see map at GoFishGeorgia.com).

LICENSES

- Any person who has a valid fishing license and properly issued permits or licenses, or both, required by Georgia or Florida in their possession may sport fish for freshwater fish in the waters covered.
- Georgia Honorary Disability License is not recognized by Florida under this agreement.

- A nonresident fishing license is required to fish, castnet, seine, crab, gig, sport bait trawl, or harvest shell fish in saltwater in Georgia.
- A Florida saltwater fishing license is required to fish for or to possess saltwater fish on the Florida side of the St. Mary's River.

CREEL AND POSSESSION LIMITS

- The limit for striped bass, white bass, and hybrid white-striped bass on the St. Mary's River is two fish which must be 22 inches or longer.
- For all other species in the waters covered, Georgia's statewide creel and possession limits (page 55) apply.

- All other fishing regulations of the State of Georgia apply on the Georgia side of the St. Mary's River and the Georgia portion of Lake Seminole. Florida laws and regulations apply on the Florida side of the St. Mary's River and the Florida portion of Lake Seminole.

NORTH CAROLINA

WATERS COVERED

Lake Chatuge and all tributary branches lying in Georgia or North Carolina which are accessible by boat from the main body of the reservoir.

LICENSES

- Holders of a valid Georgia or North Carolina fishing license may fish with hook and line in Lake Chatuge only from boats. Boats may not be anchored to the shore or to a pier or boat dock connecting to the shore.
- Senior citizen and youth license exemptions authorized by either state are honored by both states on Lake Chatuge.
- All other laws and regulations of Georgia apply to the Georgia portion of Lake Chatuge. All other laws and regulations of North Carolina apply to the North Carolina portion of Lake Chatuge.

Public Fishing Areas

Public Fishing Areas (PFAs) are great places for family outings! You can fish from the bank or a boat, picnic, hike, watch wildlife, and enjoy the outdoors. Good bank fishing opportunities are available at all PFAs and many of them have special kids fishing areas for young anglers.

LICENSES:

- Anglers 16 years of age and older must possess a valid fishing license.
- To enter a PFA, visitors 16 years of age and older must have a valid license that allows fishing or hunting or a Lands Pass (see page 8).
- Not all PFAs have the ability to sell licenses on site. Please call each PFA for details. Licenses can also be obtained online or by phone.

LENGTH AND DAILY LIMITS:

Unless different length limits or daily limits are posted or detailed in the information section for a specific PFA in this regulation guide, the following apply:

LENGTH LIMIT:

Largemouth bass: 14 inches minimum unless otherwise posted.

DAILY LIMITS:

Largemouth bass (unless otherwise posted) 5
Bream or sunfish
(of any one species or a combination) 15
Channel catfish 5
All other species see page 55

Grass carp must be released immediately.

HOURS OF OPERATION

Public Fishing Areas hours of operation are open seven days a week, 24 hours a day, unless otherwise indicated in the following PFA listing or posted at the site.

HUNTING ON PUBLIC FISHING AREAS

There are hunting opportunities available at several PFAs located around the state. Refer to the Hunting Regulations section of this guide

for a complete list of PFA hunting opportunities and regulations or visit GoHuntGeorgia.com.

BIG LAZER CREEK

Talbot County, 229-430-4256

Fish Species: Largemouth bass, Hybrid striped bass, Bluegill and Redear sunfish, Channel catfish, Black crappie. Live fish (minnows) are allowed for bait.

Water: 195 acre lake.

Facilities: Concrete two-lane boat ramp, fishing piers, fish cleaning station, shooting range, restrooms, picnic tables, primitive camping, some facilities accessible to persons with disabilities.

Directions from Talbotton: East on US Hwy 80 for 4 mi.; left on Po Biddy Road for 6.4 mi.; left on Bunkham Road; left into area.

MARBEN PFA (CHARLIE ELLIOTT WILDLIFE CENTER)

Jasper/Newton Counties, 478-825-6151 or 770-784-3059

Fish Species: Largemouth bass, Bluegill, Redear sunfish, Black crappie, Channel catfish. Live fish (minnows) are allowed for bait.

Note: Daily Bag Limit is five (5) largemouth bass, only one (1) of which can be 16 inches or longer.

Water: 20 ponds, totaling 293 acres, ranging in size from 1 to 95 acres.

Facilities: Kids only ponds, concrete boat ramps (6 lakes), boat docks, restrooms, fishing piers, fish cleaning station, picnic areas, primitive camping, (visit GoOutdoorsGeorgia.com for pricing and reservations) shooting and archery ranges, and some fishing areas accessible to persons with disabilities.

Note: Check information board for lakes that are open for fishing when you visit.

Directions from Mansfield: South on GA Hwy 11 for 2.7 mi.; left on Marben Farm Rd. Follow signs.

PUBLIC FISHING AREAS

DODGE COUNTY

478-374-6765 or 912-285-6094

Fish Species: Largemouth bass, Bluegill, Redear sunfish, Channel catfish, Black crappie. Live fish (minnows) are allowed for bait.

Note: Largemouth bass between 16 and 24 inches must be released immediately. Bass up to 16 inches and over 24 inches can be kept (limit 5 total per person, only 1 over 24 inches).

Water: 104 acre lake.

Facilities: Concrete boat ramps, fishing piers, fish cleaning station, 3-D archery range, restrooms, picnic tables, nature trail, some facilities accessible to persons with disabilities. Primitive camping is allowed in designated areas.

Directions from Eastman: South on US Hwy 23/341 for 3 mi.; left on County Rd. 49 for 0.6 mi. to lake.

FRESHWATER FISHING REGULATIONS

PUBLIC FISHING AREAS

EVANS COUNTY

912-727-2112

Fish Species: Hybrid striped bass, Largemouth bass, Bluegill, Redear sunfish, Channel catfish, Black crappie, Brown bullhead. Live fish (minnows) are allowed for bait.

Note: Largemouth bass between 12 and 16 inches must be released immediately. Bass up to 12 inches and over 16 inches can be kept. Limit five (5) per person, with only one (1) over 16 inches.

Water: Three ponds encompassing 122 acres (8, 30, 84 acres).

Facilities: Concrete boat ramps, picnic pavilion, event center (visit GoOutdoorsGeorgia.com for pricing and reservations), static and 3D archery ranges, fishing piers, fish cleaning station, restrooms, picnic tables, tent and RV camping in designated areas (visit GoOutdoorsGeorgia.com for pricing and reservations), some facilities accessible to persons with disabilities.

Directions from Claxton: East on US Hwy 280 for 8.5 miles; right on Old Reidsville-Savannah Road for 1 mile; left on Old Sunbury Road (dirt), PFA 0.3 miles on right marked by Wildlife Resources sign.

FLAT CREEK

Houston County, 478-825-6151

Fish species: Largemouth Bass, Bluegill, Redear sunfish, Channel catfish, Black crappie. Live fish (minnows) are allowed for bait.

Water: 102 acre lake and Event Pond. Note: Event Pond is ONLY open during scheduled events or DNR sponsored events.

Facilities: Concrete two-lane boat ramp, fish cleaning station, restrooms, picnic tables, grills, pavilion, bank fishing, archery range, fishing pier and some facilities accessible to persons with disabilities.

Directions from I-75: Take I-75 to exit 134 (South Perry Parkway), Turn west onto South Perry Parkway, Travel approx. 0.25 miles and turn left (South) on Georgia Highway 41, Drive about 2 miles and turn left into Flat Creek Public Fishing Area.

Weekly Georgia
Fishing Report
for What
is Biting
and Where!

HUGH M. GILLIS

Laurens County, 478-296-6192 or 912-285-6094

Fish species: Largemouth bass, Bluegill, Redear sunfish, Channel catfish, Black crappie, Brown bullhead. Live fish (minnows) are allowed for bait.

Note: Largemouth bass between 16 and 24 inches must be released immediately. Bass up to 16 inches and over 24 inches can be kept (limit 5 per person).

Water: 109 acre lake and two 1 acre Kids' Fishing Event ponds. Live fish (minnows) are allowed for bait.

Facilities: Concrete boat ramps, fishing pier, fish cleaning station, restrooms, primitive camping, picnic tables, open-air covered pavilion (first come, first serve), some facilities accessible to persons with disabilities. Primitive camping is allowed in designated areas.

Directions from East Dublin: East on US Hwy 80 for 10 mi.; left on Keens Crossing Rd. for 1.4 mi., PFA entrance on right.

MCDUFFIE

McDuffie County, 706-595-1684 or 706-595-1619

Fish Species: Largemouth bass, Bluegill, Redear sunfish, Channel catfish.

Water: 7 ponds varying in size from 5 to 37 acres (102 total acres).

Facilities: Concrete boat ramps, courtesy docks, fishing piers, restrooms, picnic tables, archery range, hiking trails, picnic tables, pavilions and some facilities accessible to persons with disabilities. Fish cleaning station closed for repairs. Tent and RV camping closed for renovation and expansion (visit GoOutdoorsGeorgia.com for status updates, pricing and reservations).

Directions from Thomson: South on Hwy 17 to US Hwy 278; left (east) for 5.6 mi.; right on Ellington Airline Road for 2.8 mi.; right on Fish Hatchery Road for 0.8 mi.

OCMULGEE

Bleckley/Pulaski Counties, 478-783-2557 (PFA) or 912-285-6094 (Waycross)

Fish Species: Largemouth bass, Bluegill, White crappie, Redear sunfish, yellow bullhead. Live fish (minnows) are allowed for bait.

Note: Largemouth bass are catch-and-release.

Water: 106 acre lake and Kids only Special Event Pond. Live fish (minnows) are allowed for bait.

Facilities: Two-lane Concrete Boat ramp, courtesy dock, fish cleaning station, 2 fishing piers, restrooms, picnic tables, bank fishing, and nature trail. Some facilities accessible to person's with disabilities. Primitive (tent only) camping is allowed in designated area near WMA.

From Hawkinsville: Take HWY 341/27 south over the Ocmulgee River. In approximately a

mile turn left onto HWY ALT 129/26. Continue 0.3 miles and turn left onto Upper River Road. Travel approximately six miles then turn left onto Allison's Landing Rd. In approximately a mile, fork right at the PFA sign.

From Cochran: Take HWY Alt 129 North turn left onto Porter Rd. Travel about eight miles and turn right onto Allison's Landing Rd. then turn right into the PFA at the sign.

PARADISE

Berrien County, 229-533-4792 or 912-285-6094

Fish Species: Largemouth bass, Bluegill, Redear sunfish, Channel catfish, Black crappie, Brown bullhead, Hybrid striped bass. Live fish (minnows) are allowed for bait.

Note: Daily creel limit is five (5) hybrid striped bass. Largemouth bass daily limit is five (5) total per person, only one over 24 inches. Hybrid striped bass daily creel limit is five (5) fish.

Water: 68 lakes encompassing 525 acres of water.

Facilities: Restrooms, fish cleaning station, picnic area, concrete boat ramps, archery range, primitive camping, (visit GoOutdoorsGeorgia.com for pricing and reservations), fishing piers, boat dock, nature trail, numerous bank fishing opportunities, some facilities accessible to persons with disabilities.

Directions from Tifton: East on US Hwy 82 for 8 mi. to Whitley Road near Brookfield; follow signs from US Hwy 82 to the area.

ROCKY MOUNTAIN RECREATION & PUBLIC FISHING AREA

Floyd County, 706-802-5087

Fish Species: Largemouth bass, Bluegill, Redear sunfish, Channel catfish, Black crappie, Walleye. Live fish (minnows) are allowed for bait.

Water: Two lakes (202 and 357 acres). Heath Lake is open the 1st-10th of each month **only**.

Facilities: Concrete boat ramps, fishing jetties, restrooms, picnic shelters, scenic overlooks, hiking trails, biking trails, swimming beach, some facilities accessible to persons with disabilities. Reservations required for tent and RV camping, group primitive camping, and group picnic area (visit GoOutdoorsGeorgia.com for pricing and reservations).

Fee: Daily or annual Rocky Mtn. PFA parking permit required (one per vehicle).

Restrictions:

- All activities prohibited on upper and lower reservoirs.
- It is illegal to possess alcoholic beverages.
- Day fishing **only**.
- No one may rappel, rock climb or hang glide.

Directions from Rome: North on US Hwy 27 for 10.4 mi.; left on Sike Storey Road 0.4 mi.; left on Big Texas Valley Road 5.4 mi. to entrance.

SILVER LAKE

Decatur County, (229) 430-4256

Fish Species: Largemouth bass, Bluegill, Redear sunfish, Channel catfish, Black crappie, Brown bullhead. Live fish (minnows) are allowed for bait except in Panic Pond.

Note: The harvest for largemouth bass in Panic Pond is one fish greater than 24 inches per day. Panic Pond is open to fishing Saturday – Monday and is closed to all fishing during July and August. The harvest of hybrid striped bass in House Pond is one fish not less than 18 inches in total length and for Bluegill, redear sunfish, and warmouth is five (5) singly or in combination and not less than 8 inches in total length. House Pond is open only from sunrise on Thursday through sunset on Saturday.

Water: Thirty ponds totaling more than 480 acres.

Facilities: Five ponds with concrete boat ramps with accompanying service piers, restrooms and primitive camping in designated areas. Some facilities are accessible to persons with disabilities.

Directions from Bainbridge: South on Hwy 253 (Spring Creek Rd.) to Hwy 310 (Yates Spring Rd.): left for 2.5 mi: right on Silver Lake Rd. for 0.8 mi.

PUBLIC FISHING AREAS UNLAWFUL ACTIVITIES

- Operate boats on ponds or lakes posted as closed to boats.
- Operate gas outboard motors unless lake is posted as being open to the use of outboard motors. NOTE: Gas motors, if allowed, must be operated at idle speed only.
- Fish in a pond or lake that has been posted "closed."
- Fish with any gear other than pole and line.
- Fish with more than two poles and lines.
- Usage of a cast net.
- Use or possess live fish (minnows) for bait, unless otherwise posted.
- Using metal detectors or collecting artifacts.
- Consume alcoholic beverages except at campsites on the area. No alcoholic beverages are allowed anywhere on Rocky Mountain PFA.
- Operate personal watercraft (jet skis), sailboats, or sailboards.
- Allow children under 14 years of age to be on PFA without adult supervision.
- Fish at night at Rocky Mountain PFA.
- Drive on any closed road or block any gate.
- Camp any place other than designated camping areas. NOTE: Contact the PFA before visiting for regulations regarding camping.
- Swim, except at Rocky Mountain Recreation and PFA beach.
- Ride horses in restricted areas or areas not designated as open to equestrian use.
- Operate a motor vehicle, including off-road vehicles, in a reckless and negligent manner, or in a manner that willfully causes damage to roads, ditches, wildlife habitat, berms, firebreaks, campgrounds or parking areas.
- Hold an organized event of more than 8 people without first obtaining a Right-of-Entry permit from the public fishing area.

Trout Fishing

WRD uses special regulations (see below) and stocking to provide quality trout fishing in Georgia. About one million rainbow trout and brown trout are stocked each year from March through mid-September. The number of trout stocked and the stocking frequency depend on a stream's fishing pressure, public access, and water conditions. Streams with greater public access are stocked more often with more trout. General information about trout stocking and the Trout Streams of Georgia Map are available from WRD offices and at **GoFishGeorgia.com**. The map includes Georgia's trout streams, roads, and a list of recommended streams.

Trout need clean, cold water to survive. Georgians can be good trout managers by using proper land use practices. Trees and other vegetation left along stream banks provide shade to keep water cold and help prevent soil from washing into the stream.

Many trout streams are bounded by private property. It is your responsibility to know when you cross a property line. Obtain permission from the landowner before fishing on private property.

Note: While fishing any specially regulated waters with a minimum size limit, it is unlawful to possess a trout which is less than the specified minimum size regardless of where the fish was caught.

TROUT SEASON

All designated trout waters are now open year round (see pages 62-64 for stream listings).

TROUT FISHING HOURS

- Fishing 24 hours a day is allowed on all trout streams **except** those in the next paragraph.
- Fishing hours on Dockery Lake, Rock Creek Lake, the Chattahoochee River from Buford Dam to Peachtree Creek, the Conasauga River watershed upstream of the Georgia-Tennessee state line and Smith Creek downstream of Unicoi dam are 30 minutes before sunrise until 30 minutes after sunset. Night fishing is not allowed.

TROUT FISHING RULES

- Trout anglers are restricted to the use of one pole and line which must be hand held. No other type of gear may be used in trout streams.
- It is unlawful to use live fish for bait in trout streams. Seining or trapping bait-fish is not allowed in any trout stream.

IMPOUNDMENTS ON TROUT STREAMS

ANGLERS CAN:

- Fish for fish species other than trout without a trout license on Dockery and Rock Creek lakes.
- Fish at night, **except** on Dockery and Rock Creek lakes. See Trout Fishing Hours for details.

IMPOUNDMENT NOTES:

- If you fish for or possess trout, you must possess a trout license. If you catch a trout and do not possess a trout license you must release the trout immediately.
- **State park visitors** are not required to have a trout license to fish in the impounded waters of the Park. However, those visitors wishing to harvest trout will need to have a trout license in their possession.

DELAYED HARVEST STREAMS

Anglers fishing delayed harvest streams must release all trout immediately and use and possess only artificial lures with one single hook per lure from Nov. 1 - May 14 annually. The use of additional “dropper” lures on one line is permitted as long as each lure contains one single hook. These restrictions do not apply from May 15 - Oct. 31 of each year. The following streams are delayed harvest streams:

- **Amicalola Creek** from County Road 192 (Steele Bridge Road) downstream to GA Hwy 53.
- **Chattahoochee River** from Sope Creek (off Columns Drive) downstream to US Hwy 41 (Cobb Parkway).
- **Chattooga River** from GA Hwy 28 bridge upstream to the mouth of Reed Creek.
- **Smith Creek** on Unicoi State Park from Unicoi Dam downstream to the Unicoi State Park property boundary.
- **Toccoa River** on U.S. Forest Service land from 0.4 miles above the Shallowford Bridge upstream to a point 450 feet upstream of the Sandy Bottom Canoe Access.

Visit **GoFishGeorgia.com** to see maps of Delayed Harvest Streams and learn more about this program.

ARTIFICIAL LURES ONLY

In streams listed here only artificial lures may be used. It is unlawful to possess any other type bait on an “artificial lures only” stream (see definitions on page 3).

- **Chattahoochee River** from GA Hwy 20 to the boat ramp at the National Park Service Medlock Bridge Park immediately upstream of GA Hwy 141.

- **Coleman River** and its tributaries from its junction with the Tallulah River upstream to Forest Service Bridge No. 54.
- **Conasauga River** and its tributaries (except Jacks River watershed) upstream of the Georgia-Tennessee state line are restricted to using only artificial lures from Nov. 1 through the last Saturday in March of each year.
- **Hoods Creek** and its tributaries on the Warwoman WMA.
- **Jones Creek** and its tributaries on US Forest Service property.
- **Mountaintown Creek** and its tributaries upstream of Mountaintown Creek Watershed Structure No. 2 (Hills Lake).
- **Noontootla Creek** and its tributaries on Blue Ridge WMA. **Note:** All trout less than 16 inches in length caught from this section of Noontootla Creek must be released immediately.
- **Stanley Creek** and its tributaries on the Rich Mountain WMA.
- **Walnut Fork Creek** and its tributaries on the Warwoman WMA.

OTHER TROUT STREAM REGULATIONS

MOCCASIN CREEK

That portion of Moccasin Creek between Lake Burton Hatchery water intake and a sign marking the approximate normal pool level of Lake Burton is restricted to anglers under 12 years of age, licensed seniors 65 or older and all ages with a Georgia Disability License.

SMITHGALL WOODS-DUKES CREEK CONSERVATION AREA

Dukes Creek and its tributaries within the Dukes Creek Conservation Area are open to fishing year round by reservation only. For reservations call 706-878-3087.

- Only artificial lures with barbless hooks may be used or possessed on the portion of Dukes Creek and its tributaries in White County on the Conservation Area, including the GA Hwy 75 Alternate right-of-way. Possession of any bait, lure, or gear not legal for use on the stream is unlawful.
- All fish caught from Dukes Creek and its tributaries in White County on the Conservation Area, including the GA Hwy 75 Alternate right-of-way, must be immediately released where caught.
- No trout may be possessed while fishing on any stream on the Conservation Area or the GA Hwy 75 Alternate right-of-way.

WATERS CREEK

- **Size limits:** 22 inches for brown and rainbow trout and 18 inches for brook trout. It is a violation to possess a trout smaller than these limits while fishing on Waters creek.

NOONTOOTLA CREEK AND ITS TRIBUTARIES ON BLUE RIDGE WMA

- **Size limit:** 16 inches for all mountain trout.

Trout Streams Destinations by County

All Trout Streams are open to fishing throughout the year.

Watershed: the stream and all its tributaries (streams flowing into that stream).

Abbreviations used throughout this section:
Cr. = Creek and R. = River

NOTE: The following trout streams have special regulations (see pages 61-62 before fishing): Amicalola Cr., Chattahoochee R., Chattooga R., Coleman R., Conasauga R., Hoods Cr., Jones Cr., Moccasin Cr., Mountaintown Cr., Noontootla Cr., Smithgall Woods-Dukes Cr., Smith Cr., Stanley Cr., Toccoa R., Walnut Fork Cr., and Waters Cr.

Chattahoochee R. upstream from the mouth of Peachtree Cr.

GILMER COUNTY

Harris Cr. watershed; Johnson Cr. watershed; Mountaintown Cr. watershed; Tails Cr. watershed; and all other streams or parts of streams not listed above, except: Coosawattee R. downstream from old GA Hwy 5 (Gilmer Co Rd. 239), Talking Rock Cr., and tributaries to Carters Reservoir not listed above.

GORDON COUNTY

Johns Cr. watershed upstream from Floyd Co Rd. 212; Pin Hook Cr. watershed upstream from Gordon Co Rd. 275; Pine Log Cr. watershed upstream from GA Hwy 53; Rocky Cr. watershed upstream from Gordon Co Rd. 210; Salacoa Cr. watershed upstream from US Hwy 411; Snake Cr. watershed.

GWINNETT COUNTY

Chattahoochee R.

HABERSHAM COUNTY

Amy's Cr. watershed upstream from GA Hwy 17; Chattahoochee R. watershed upstream from GA Hwy 255 crossing of the Chattahoochee R.; Liberty Cr. watershed; Middle Fork Broad R. watershed; Nancytown Cr. watershed upstream from Nancytown Lake; North Fork Broad R. watershed; Panther Cr. watershed; Roberts Branch watershed; Soque R. watershed upstream from the mouth of Deep Cr.; Toccoa Cr. watershed.

HARALSON COUNTY

Flatwood Cr. watershed; Lassetter Cr. watershed; Mann Cr. watershed upstream from Haralson Co Rd. 162; Tallapoosa Cr. watershed; Tallapoosa R. watershed upstream from Co Rd. 222.

HART COUNTY

Savannah R. from Hartwell Dam downstream to Richard B. Russell Reservoir.

LUMPKIN COUNTY

Amicalola Cr. watershed; Cane Cr. watershed upstream from the GA Hwy 52 bridge; Cavender Cr. watershed; Chestatee R. watershed upstream from the mouth of Tesnatee Cr.; Dockery Lake; Etowah R. watershed upstream from Castleberry Bridge; Shoal Cr. watershed; Yahoola Cr. watershed upstream from GA Hwy 52.

MURRAY COUNTY

Conasauga R. watershed upstream from the Georgia-Tennessee state line (includes Jacks R. watershed); Holly Cr. watershed upstream from the mouth of Dill Cr., including Dill Cr. watershed; Mill Cr. watershed upstream from Murray Co Rd. 27; Mill Cr. (Hasslers Mill Cr.) watershed, which is within Holly Cr. watershed; North Prong Sumac Cr. watershed; Rock Cr. watershed, the most southern of two Rock Cr. watersheds which are in the Holly Cr. watershed, upstream from Murray Co Rd. 4; Rock Cr. watershed, the most northern of two Rock Cr. watersheds which are in the Holly Cr. watershed, upstream from Murray Co Rd. 301; Sugar Cr. watershed upstream from Murray Co Rd. 4; Sumac Cr. watershed upstream from Coffey Lake.

PAULDING COUNTY

Possum Cr. watershed upstream from Paulding Co Rd. 64; Powder Cr. (Powder Springs Cr.) watershed; Pyle Cr. watershed; Pumpkinvine Cr. watershed upstream from Paulding Co Rd. 231; Raccoon Cr. watershed upstream from State Route 2299 (Paulding Co Rd. 471); Tallapoosa R. watershed; Thompson Cr. watershed; Ward Cr. watershed.

PICKENS COUNTY

Amicalola Cr. watershed; Ball Cr. watershed; Bluff Cr. watershed; Cartecay R. watershed; Cove Cr. watershed upstream from Pickens Co Rd. 294; Fausett Cr. watershed; Fisher Cr. watershed; Hobson Cr. watershed; Little Scarecorn Cr. watershed; Long Swamp Cr. watershed, including Darnell Cr. watershed, upstream from Cove Cr.; Mud Cr. watershed; Pin Hook Cr. watershed; Rock Cr. watershed; Salacoa Cr. watershed; Scarecorn Cr. watershed upstream from GA Hwy 53; Sevenmile Cr. watershed; Sharp Mountain Cr. watershed; Soap Cr. watershed; Talking Rock Cr. watershed upstream from S1011 (GA Hwy 136); Town Cr. watershed; Wildcat Cr. watershed.

POLK COUNTY

Cedar Cr. watershed upstream from Polk Co Rd. 121; Little Cedar Cr. watershed; Pumpkinpile Cr. watershed upstream from Polk Co Rd. 437; Silver Cr. watershed; Spring Cr. watershed; Tallapoosa R. watershed; Thompson Cr. watershed upstream of Polk Co Rd. 441.

RABUN COUNTY

Bad Branch watershed Bad Cr. watershed; Crow Cr. watershed (includes Slick Shoal Cr.); Dicks Cr. watershed; Dickenson Branch; Falls Branch watershed; Flat Cr. watershed; Joe Cr. watershed; LaCounts Cr. watershed; Moccasin Cr. watershed; Popcorn Cr. watershed; Seals Cr. watershed; Timpson Cr. watershed; Wildcat Cr. watershed; Worse Cr. watershed; and all other streams or parts of streams not listed above, except: Tallulah R. downstream from Lake Burton Dam, Chattooga R. below Warwoman Cr., and tributaries to Burton, Seed, Rabun, Tallulah Falls, Tugaloo and Yonah reservoirs not listed above.

STEPHENS COUNTY

Little Toccoa Cr. watershed; Middle Fork Broad R. watershed upstream from NRCS flood control structure No. 44; North Fork Broad R. watershed upstream from NRCS flood control structure No. 1; Panther Cr. watershed; Toccoa Cr. watershed upstream from Toccoa Falls.

TOWNS COUNTY

Bearmeat Cr. watershed; Bell Cr. watershed; Bugscuffle Branch watershed (Allen Mill Cr.); Burch Branch watershed; Fodder Cr. watershed;

FRESHWATER FISHING REGULATIONS

TROUT STREAMS DESTINATIONS BY COUNTY

Hightower Cr. watershed; Hiwassee R. watershed downstream to Towns Co Rd. 87; Hog Cr. watershed; Shake Rag Branch watershed; and all other streams or parts of streams not listed above, except: Hiwassee R. downstream from Towns Co Rd. 87 and tributaries to Chatuge Reservoir not listed above.

UNION COUNTY

Bracket Cr. watershed; Camp Cr. watershed; Conley Cr. watershed; Coosa Cr. watershed; Ivylog Cr. watershed; Kiutuestia Cr. watershed; Low Cr. watershed; Nottely R. watershed upstream from Nottely Reservoir; Youngcane Cr. watershed; and all other streams or parts of streams not listed above, except: Butternut Cr. watershed, Nottely R. downstream from Nottely Dam, and tributaries to Nottely Reservoir not listed above.

WALKER COUNTY

Chappel Cr. watershed; Chattanooga Cr. watershed upstream from Walker Co Rd. 235;

Concord Cr. watershed; Duck Cr. watershed; East Fork Little R. watershed, which flows into Dade County; East Fork Little R. watershed, which flows into Chattooga County, including Gilreath Cr.; Furnace Cr. watershed; Gulf Cr. watershed; Harrisburg Cr. watershed, including Dougherty Cr. watershed, upstream from Dougherty Cr.; Johns Cr. watershed; Left Fork Coulter Branch watershed; Little Chickamauga Cr. watershed; Rock Cr. watershed, including Sawmill Branch, upstream from Sawmill Branch; Ruff Cr. watershed; Snake Cr. watershed; West Armuchee Cr. watershed; West Chickamauga Cr. watershed upstream from Walker Co Rd. 107.

WHITE COUNTY

Chattahoochee R. watershed upstream from the GA Hwy 255 crossing of the Chattahoochee R.; Little Tesnatee Cr. watershed (includes Turner Cr watershed) upstream from the mouth of Turner Cr.; Town Cr. watershed upstream from the mouth of Jenny Cr.

WHITFIELD COUNTY

Coahulla Cr. watershed upstream from Whitfield Co Rd. 183; Dry Cr. watershed, which is a part of East Chickamauga Cr. watershed; Snake Cr. watershed; Spring Cr. (Deep Spring Cr.) watershed; Swamp Cr. watershed upstream from Whitfield Co Rd. 9; Tiger Cr. watershed.

COMMERCIAL FISHING

- It is unlawful to fish commercially except in waters opened for commercial fishing by regulation of the DNR Board.
- It shall be unlawful to engage in commercial fishing without having all valid commercial fishing licenses.
- It is unlawful for any person to sell or purchase any game fish, however American shad, hickory shad, channel catfish, and flathead catfish taken while commercial fishing may be sold as described in the Game and Fish Code.
- For information on fish baskets, including usage, construction, and licensing contact the nearest Fisheries Section office or visit our website at GoFishGeorgia.com.
- For a complete copy of the freshwater commercial fishing regulations visit GoFishGeorgia.com.
- For saltwater commercial fishing information contact the Coastal Resources Division or visit CoastalGADNR.org.

SALE OF FISH & AQUACULTURE

Game Fish

It is unlawful for any person to sell or purchase any game fish except under the following conditions:

- Game fish may be sold by properly licensed commercial fish hatcheries, wholesale and retail fish dealers, and pond owners (see following paragraph) who conform to the Game and Fish Code.
- Game fish may be sold from a pond when the owner has obtained a valid permit from DNR Law Enforcement Section (2 weeks required to process). NOTE: The permit must be displayed at the pond and the fish must be packaged and labeled for transport from the pond with the permit number and the number and pounds of each species contained in the package. Fish must remain so packaged until processed or released into another pond. NOTE: A permit will be issued only once annually and limits the time for taking fish from the pond to 15 days.
- Game fish shipped into Georgia may be lawfully transported, sold, and resold provided each person in possession of said game fish has an authentic bill of sale or lading which details the source of the fish and the species, number and pounds of the fish.

Domestic Fish

- Aquaculturists (fish farmers) must register with the Department of Natural Resources in order to sell domestic fish.
- Registration applications are available from any Fisheries Section office, at GoFishGeorgia.com, or by calling 770-918-6408. Find Aquaculture information under the Fishing Regulation section of the WRD website.
- Domestic fish are lawfully obtained farmed fish which are held in confinement in private ponds, but only if they are fish species which are either indigenous to Georgia or have been recognized prior to 1992 as having an established population in public waters in Georgia. White perch is not recognized as a domestic fish. Persons in possession of domestic fish from registered aquaculturists must have an authentic bill of sale or lading which identifies the seller, the date of transaction and at least two of the following for each fish species: number, weight, or average length.

RED indicates new record!

BLUE indicates a World Record Fish (either IGFA or NFFHF)

Georgia Freshwater Fish

LARGEMOUTH BASS

- Upper jaw extends beyond eye
- Spiny and soft dorsal fin separate or nearly so
- Tongue normally smooth, tooth patch rare

SMALLMOUTH BASS

- Upper jaw extends to about middle of eye
- Usually has vertical stripes along body
- 3 short spines on anal fin

SPOTTED BASS

- Upper jaw not past rear of eye
- Spiny and soft dorsal fin clearly connected
- Tooth patch on tongue

SHOAL BASS

- Found in Chattahoochee, Flint, and Ocmulgee Rivers
- Vertical bars on fish of all sizes
- No tooth patch on tongue
- Dark spot at base of tail
- Light golden color

REDEYE BASS

- Small tooth patch found on tongue
- Sides olive to brown in coloring; dark vertical bars; prominent dark spot on the gill cover
- White margin on tail

WHITE BASS

- Seldom exceeds 3 pounds
- Tongue with one tooth patch
- Stripes often faint
- 2nd anal spine 1/2 length of 3rd anal spine

HYBRID

WHITE-STRIPED BASS

- Back arched, body deep
- Stripes distinct and usually broken
- Tongue with two tooth patches
- 2nd anal spine 2/3 or more the length of 3rd anal spine

STRIPED BASS

- Body slender
- Stripes distinct, occasionally broken
- Tongue with two tooth patches
- 2nd anal spine 1/2 or less the length of 3rd anal spine

CHANNEL CATFISH

- Numerous small, black spots present
- Deeply forked tail fin
- State Record 44 lb. 12 oz.

FLATHEAD CATFISH

- Head wide and flat
- Body dark in color
- Tail not forked

WALLEYE

- Sharp teeth
- No spots on dorsal fin
- Dark area at base of dorsal fin
- White spot at bottom of tail

FRESHWATER FISHING REGULATIONS

GEORGIA FRESHWATER FISH

BLACK CRAPPIE

- 7-8 dorsal spines
- Body color pattern irregular arranged spots

REDEAR SUNFISH (SHELLCRACKER)

- Red edge on operculum ear flap
- Spotted body

REDBREAST SUNFISH

- Long, dark ear flap
- Blue lines on head
- Ear flap (operculum) not wider than eye

BLUEGILL

- Black spot on soft dorsal fin
- Vertical bars on body

GIZZARD SHAD

- Mouth below end of snout
- Elongated dorsal fin ray
- Deep body
- Blunt snout

RAINBOW TROUT

- Small black dots throughout the body that extend into the tail
- Red stripe along side on silvery body

BROWN TROUT

- Black and red-orange spots inside light circles on brown body
- Caudal fin (tail) square

BROOK TROUT

- Light, wormlike markings on dark upper body
- White leading edge on lower fins (pectoral, pelvic and anal)

CHAIN PICKEREL (JACKFISH)

- Elongated body with chain-like markings
- Sharp needle-like teeth

AMERICAN SHAD

- Bluish or green above with a silvery side
- Deeply forked tail

THREADFIN SHAD

- Mouth at end of snout
- Elongated dorsal fin ray
- Pointed snout
- Yellow tail fin

Fish Consumption Guidelines

THE HEALTH BENEFITS OF EATING FISH

Sport fish caught in Georgia are generally good quality and safe to eat. Fish provide a high protein, low fat diet which is low in saturated fats. Fish may have substantial health benefits when they replace a high fat source of protein in the diet.

WHAT ARE THE GUIDELINES?

Georgia DNR samples fish from water bodies each year to test for contaminants such as PCBs, chlordane, and mercury. Many of the fish tested have few or no contaminants and are safe to eat. **Waters where fish have been tested and found to be clean are listed to the right.** Fish from waters listed in the tables had some level of contaminants so you should restrict the amount of fish you eat from these waters. Recommendations are made to limit how often you eat a meal of fish from these sources to either once per week or month. A meal of fish is about 4 to 8 ounces. These guidelines are based on eating fish from a listed area for at least 30 years. That is because it would take months or years of regularly eating contaminated food to accumulate levels in your body that would affect your health.

“One meal per week” means that eating a 4- to 8-ounce serving no more than once per week should cause no significant health risks.

SPECIAL NOTICE FOR PREGNANT WOMEN, NURSING MOTHERS AND CHILDREN

If you are pregnant or a nursing mother, or plan to become pregnant soon, you and also children under 6 years of age are sensitive to the effects of some contaminants. Women and children in these categories may wish to eat fish less often than recommended in the tables.

HOW TO REDUCE YOUR HEALTH RISK

Eat smaller fish and vary the kind of fish you eat. Contaminants build up in top predators (bass), bottom feeders (catfish), and older (larger) fish to a greater extent than panfish, such as bream and crappie.

Clean and cook fish properly. Some chemicals have a tendency to concentrate in the fatty tissues of fish. By removing the fish's skin and trimming the fat, you can substantially reduce contaminants.

TRIM AWAY THESE FATTY AREAS.

Guidelines For Eating Fish

for more
info

Cook fish so fat drips away. Broil, bake, or grill fish and do not use the drippings. Deep-fat frying removes some contaminants, but discard the oil once you have cooked the fish. Pan frying removes few contaminants.

GUIDELINES FOR GEORGIA

Please note: Lakes and rivers in the Fish Consumption Guidelines have been tested and the fish found to contain little or no contamination. If the lake or stream where you fish is listed, it is safe to eat the amount listed for a given species from that body of water. Water bodies are listed alphabetically.

“These guidelines are non-binding recommendations EPD determines based on the body of water a fish comes from, the species of fish and the amount of fish a person consumes. The purpose of these guidelines is to provide detailed information in an understandable format for people who eat fish. Waters listed in the fish consumption guidelines are not necessarily assessed as impaired using USEPA guidelines for Section 303(d) of the Clean Water Act.”

More details and most recent results from fish contaminant testing are available in the publication “Guidelines for Eating Fish from Georgia Waters” available at: www.gaepd.org

GET REWARDED FOR FISHING

Angler Recognition Programs

Add a little challenge to your fishing trip by participating in these angler reward programs!

ANGLER AWARDS

This program recognizes anglers who catch fish that meet or exceed a specific weight or length for that species. Categories include: adult, youth, public fishing area and trophy bass.

BASS SLAM

If you can catch (at a minimum) 5 of the 10 different black bass species found in Georgia within a calendar year, you earn a Georgia Bass Slam!

TROUT SLAM

If you can catch all 3 species of trout (rainbow, brown, brook) available in Georgia waters, you earn a Georgia Trout Slam!

STATE RECORDS

This program is for anglers that legally catch a freshwater fish that exceeds the existing state record catch weight by one ounce or more.

Rewards and Rules Vary with Program. Find Out More at GeorgiaWildlife.com/fishing/angler-resources

Guidelines for Sea Turtle Protection

If you hook or entangle a sea turtle while fishing,
contact Georgia DNR Hotline: 1-800-2-SaveMe.

- Keep hands away from turtle's mouth and flippers.
- Do not lift the turtle by the hook or by pulling on the line.
- Safely land the turtle using a net or by walking it to shore.
- Leave the hook in place as removing it can cause more damage.
- Keep the turtle out of direct sunlight and cover with damp towel.
- Use non-stainless, barbless hooks when possible.

If you cannot reach Georgia DNR, cut the line as short as possible and release the turtle.

REPORT POACHERS

- Poaching is the illegal fishing & hunting of wildlife.
- Poachers rob you of hunting opportunities.
- Poachers steal everyone's wildlife.
- Poachers give ethical anglers & hunters a bad name.
- Rewards are paid if an arrest is made.
- Anonymity is respected.

Hunt Regs App

HOW DO I REPORT POACHING?

- Scan the QR code for the Hunt Regs App. You can download the app to report, or report directly without it.
- Call the Ranger Hotline.

WE ARE AVAILABLE

RangerHotline@dnr.ga.gov

PROTECTED SPECIES MAY BE ENCOUNTERED WHILE FISHING

It is unlawful to capture, kill, or harm any protected species. If you accidentally capture a protected species while fishing or collecting bait, please release it unharmed immediately.

There are 58 fishes, 10 salamanders, one frog, one snail, 27 mussels, 20 crayfish and 14 turtles under protection in Georgia.

Exception: all native crayfish, including state protected species, can be used as bait as long as they are not harvested from burrows. Bait species should never be transferred between water ways.

For more information contact DNR's Wildlife Conservation Section at **(706)557-3213**.

Search the rare species data portal at **GeorgiaBiodiversity.org** for a list of protected species in your watershed.

MAP TURTLE

Aquatic turtle with prominent spiny keel on midline of shell. Found in large streams and rivers in northwest and southwest portions of the state.

Up to 29" in length,
11-20" typical

**ALLIGATOR
SNAPPING TURTLE**

Huge aquatic turtle that may weigh more than 100 lbs. Occurs in large streams, rivers, reservoirs in the southwest corner of the state. Jaws are powerful—keep a safe distance!

REDHORSE SUCKER

There are several protected species of redhorse suckers that can easily be confused with common carp while bow fishing. For more information on sport fish and carp identification, please visit GeorgiaWildlife.com/fishing/identification.

EASTERN HELLBENDER

Large, harmless salamander found in clear, rocky mountain streams such as trout streams.

ALTAMAHA SHINER

A state protected minnow that is common in rocky sections of large rivers and streams in the Oconee and Ocmulgee river systems.

GATEWAY TO FISHING PROGRAM

Did you know that even in metro Atlanta, you have fishing opportunities near you? Scan the QR code to explore these locations and make your plan to Go Fish Georgia!

WILDLIFE VIOLATOR COMPACT

All 50 states, including Georgia, are members of the Wildlife Violator Compact (WVC). This allows Wildlife Officers to treat non-residents hunting in WVC member states as if they were a resident of that state in regards to wildlife violations. All wildlife law violators will be held more responsible due to the fact that their illegal activities in one state can affect their hunting privileges in all WVC member states.

GEORGIA SALTWATER FISHING

From the deep waters of the Gulf Stream across a wide expanse of open Atlantic Ocean through winding tidal rivers to remote marshes, coastal Georgia offers a diversity of inviting places for the saltwater angler. Whether you fish from the surf, a fishing pier, or a boat, there is always something ready to tug on your line.

Recreational Fishing

Fishing Licenses: See page 8 for information on license requirements.

- Licenses are required for hook and line fishing, castnetting, seining, crabbing, gigging, sport bait trawling, and harvesting shellfish.
- A Georgia fishing license and free Saltwater Information Permit (SIP) are required for anglers age 16 and older to fish in both state (0-3 nautical miles off shore) and federal (beyond 3 miles) marine waters of Georgia. The SIP expires one year from the date of issuance, regardless of license type (lifetime, senior, multi-year).
- Reciprocal agreements with Alabama, South Carolina, and Florida currently do not apply to saltwaters.
- Georgia saltwater fishing guides have the option of purchasing a blanket fishing license to cover their customers. Anglers booking a trip with a Georgia saltwater fishing guide should inquire if they will need a Georgia fishing license or whether they will be covered by the guide's license. Persons interested in purchasing a Saltwater Guide's License should call the DNR Coastal Regional License Office at 912-264-7237.

WANTON WASTE

Sort or cull your catch on the water. Return undersized or unwanted wildlife to the water alive. When you throw away wildlife, you are not only wasting valuable resources, but you are also breaking the law!

ARTIFICIAL REEFS

Georgia maintains 15 inshore and 31 offshore artificial reefs located from inside the estuary to 80 miles offshore. The 19 reefs beyond 3 miles offshore are designated as federal Special Management Zones and as such, only allow hand-held and spear fishing gear. For more information, coordinates and updates go to CoastalGaDNR.org/HERU.

BOATING SAFETY ZONES

Boating safety zones have been established off Jekyll, Tybee, St. Simons, and Sea islands. These zones extend from the northernmost point to the southernmost point of each of these islands and from the highwater mark to a distance 1,000 feet seaward. From May 1 through September 30, power boats, jet skis, and other motorized craft are prohibited in these zones.

SALTWATER FINFISH

LANDING REQUIREMENTS/ TRANSFER PROHIBITION

All saltwater finfish (including sharks) under state or federal regulation must be landed with head and fins intact. Anglers must make catches available for inspection by government officials. Saltwater finfish subject to size and bag limits cannot be transferred to another person or vessel on the water. A commercial license is required to sell any seafood.

GEAR

A **seine** may not be used as a gill net (a net constructed of single webbing attached to a float line and lead line and fished in a stationary manner to ensnare or entangle fish in the meshes; see page 78).

Only flounder may be taken with a **gig** (any handheld shaft with single or multiple points, barbed or barbless).

All seasons, hours, creel limits, minimum size limits, and other regulations applicable to saltwater finfish apply regardless of the gear used.

Sharks: Recreational harvest of sharks is limited to hook and line gear only. Additionally, anglers must use non-offset, corrodible, non-stainless steel circle hooks when fishing for sharks recreationally, except when fishing with flies or artificial lures.

RELATED DEFINITIONS

Maximum Size: the specific size in length above which it is unlawful to take that finfish species.

Minimum Size: the specific size in length below which it is unlawful to take that finfish species.

Open Season: that specified period of time during which one may take certain finfish species from any waters of the state.

Daily Creel Limit: the lawful amount of a species of finfish that a person may take in one day.

Possession Limit: the lawful amount of a species that a person can legally have at one time.

Bushel: 8 gallons.

SALTWATER DEMARCATION LINE

This line is established in this state as the separation point between saltwaters and freshwaters for commercial fishing and sport fishing. The saltwater demarcation line is defined below:

- The point at which U.S. Highway 17 crosses the following bodies of water and their tributaries shall be the line of demarcation for them: St. Mary's River, Satilla River, South Altamaha River, Champney River,

Butler River, Darien River, Little Ogeechee System (except Salt Creek), North Newport River, Medway River, Big Ogeechee River, and the point at which Georgia Highway 25/South Carolina 170 crosses the Savannah River and its tributaries. All water seaward of these points shall be considered saltwater.

- The following streams and their tributaries are designated as salt water for their entire length: Crooked River, Little Satilla River, South Brunswick River, Turtle River, Sapelo River, South Newport River, Salt Creek (Little Ogeechee System), and all other rivers, streams, and tributaries in the six coastal counties which are not enumerated in this subsection.
- For purposes of crabbing, that portion of the St. Mary's River and the Satilla River System (including the Satilla River and White Oak Creek) which is seaward of the points at which the Seaboard Coastline Railroad crosses such streams and that portion of the Altamaha River System which is seaward of the points at which I-95 crosses the streams of that system shall be considered salt water. It shall be unlawful to place any crab trap in the waters of this state other than that described as salt water in Code Section 27-4-1 or by this subsection.

FIVE THINGS YOU CAN DO TO BE A RESPONSIBLE ANGLER

- Buy a fishing license and obtain your free Saltwater Information Permit (SIP). Funds from license sales support fishery management, boating and fishing access projects, and conservation law enforcement. Your SIP identifies you as a Georgia saltwater angler, which informs fishery management.
- Handle the fish as little as possible. Leaving a fish in the water is the best option when releasing it, but if you must remove it from the water, wet your hands first to avoid removing its protective slime.
- When taking a photograph with the fish, be sure to support its weight by holding the fish horizontally and support its weight with your hands.
- If a fish looks lethargic, gently force water through the mouth and over the gills by holding it in the current, or slowly moving the fish in a figure-eight motion.
- Use non-stainless steel non-offset circle hooks when possible. It is believed that these hooks reduce the rate of gut hooking in fish and helps increase their chance of survival after release. Non-stainless steel hooks also rust quicker than stainless if it is left in the fish.

Finfish Seasons, Limits, Sizes

SEASONS, LIMITS, SIZES

All limits per person unless specified. FL = fork length, TL = total length
(see "How to Measure a Fish" below)

SPECIES	OPEN SEASON	DAILY LIMIT AND POSSESSION LIMIT	MINIMUM SIZE (inches)
Amberjack*	All year	1	28 FL
American Eel	All year	25	9 TL
Atlantic croaker	All year	25	
Atlantic sturgeon	No Harvest		
Billfish (Blue marlin, White marlin, Sailfish)*	Billfish may be landed in Georgia, provided the angler complies with all federal regulations. Visit CoastalGaDNR.org/HMS for federal regulations.		
Black drum	All year	15	14 TL
Black sea bass*	All year	15	12 TL
Bluefish	All year	15	12 FL
Cobia	Mar. 1 - Oct. 31	1 per angler, max 6 per boat.	36 FL
Dolphin*	All year	10 (not to exceed 54 per boat, except headboats, which are allowed 10 per paying customer	20 FL
Flounder	All year	15	12 TL
Gag grouper*	All year	2	24 TL
King mackerel*	All year	3	24 FL
Red drum (Channel bass, Spottail bass, Redfish)**	All year	5	14 TL (23 TL maximum)
Red porgy*	All year	3	14 TL
Red snapper*	All year	2	20 TL
Sharks			
Small shark composite (SSC) ^A (Atlantic sharpnose, Bonnethead, Spiny dogfish)	All Year	1 per angler	30 FL
Sharks (other than Hammerheads, SSC and Prohibited Sharks) ^A		1 per angler or boat, whichever is less	54 FL
Hammerhead Sharks (Great, Scalloped, and Smooth) ^A			78 FL
Shortfin Mako Shark	When Federal Quota is Available.		83 FL
Prohibited Sharks (NO HARVEST) ^A	Sand tiger, Sandbar, Silky, Bigeye sand tiger, Whale, Basking, White, Dusky, Bignose, Galapagos, Night, Reef, Narrowtooth, Caribbean sharpnose, Smalltail, Atlantic angel, Longfin mako, Bigeye thresher, Sharpnose sevengill, Bluntnose sixgill, Oceanic Whitetip, and Bigeye sixgill		
Sheepshead	All year	15	10 FL
Spanish mackerel*	All year	15	12 FL
Spot	All year	25	
Spotted seatrout	All year	15	14 TL
Striped bass (Saltwater)	All year	2	22 TL
Striped bass (Savannah River)	All year	2	27 TL
Tarpon	All year	1	68 FL
Tripletail	All year	2	18 TL
Weakfish	All year	1	13 TL

* These species are also federally managed from 3 to 200 miles offshore. Go to www.safmc.net for federal regulations.

** Red Drum are a gamefish in Georgia [O.C.G.A. 27-1-2 (36)(l)]. As gamefish, Red Drum may only be fished for with pole and line (rod/reel) [O.C.G.A. 27-4-5].

A These species are also federally managed. Go to www.fisheries.noaa.gov/atlantic-highly-migratory-species/atlantic-highly-migratory-species-minimum-sizes-and-bag-limits for federal regulations.

TAGGED FISH

Coastal Resources Division (CRD) biologists are conducting long-term studies on the growth, migration and fishing exploitation rates of red drum, black drum, sheepshead, and tripletail. If you catch a tagged fish, please record and report the following information: 1) your name, address, and phone number, 2) fish species, 3) date caught, 4) tag number, 5) total length and location, and 6) whether the fish was kept or released. To report a tagged fish, visit CoastalGaDNR.org/FishTag or call 912-264-7218. If released, please do not remove the tag.

If kept, please return the tag to GADNR/CRD, One Conservation Way, Brunswick, GA 31520. If the tag number is not legible lightly scrape the tag with your fingernail or similar flat object.

If you are an angler who practices catch and release and would like to become a cooperative angler please contact the Cooperative Angler Tagging Program at 912-264-7218 or visit CoastalGaDNR.org/CooperativeTagging.

HOW TO MEASURE A FISH

Freshwater fish are measured as Total Length (TL). Minimum sizes for saltwater finfish are measured in two ways: Total Length (TL) and Fork Length (FL). Methods for measuring fish are indicated to the right:

Fork Length

Total Length

Georgia's Saltwater Gamefish Records

SPECIES	MEN'S RECORD			WOMEN'S RECORD

Spot	1 lb.	0.32 oz.	Joel E. Duck (2023)	—		
Swordfish	205 lb.	8 oz.	Brendin A. Page (2014)	No minimum weight		
Tarpon	161 lb.	0 oz.	C. Edwards (1995)	139 lb.	0 oz.	Wendy A. Mead (1986)
Triggerfish, Queen	9 lb.	6.24 oz.	Brian C. Richburg (2024)	No minimum weight		
Triggerfish, Gray	11 lb.	3 oz.	Dean Williams (1989)	11 lb.	5 oz.	Elizabeth Zeagler (1987)
Tripletail	38 lb.	14 oz.	Kyle Thigpen (2005)	29 lb.	6 oz.	Jordan Davis (2017)
Tuna, Blackfin	40 lb.	8 oz.	Tyler Deal (2016)	30 lb.	8 oz.	Penny Morgan-Turner (1999)
				30 lb.	14.25 oz.	Molly W. Strickland (2024)
Tuna, Yellowfin	249 lb.	2 oz.	Ken Cooper (1980)	165 lb.	4 oz.	Anne Smith (1973)
Tunny, Little	22 lb.	1 oz.	Rusty Blackburn (2017)	20 lb.	0 oz.	Str. Mary Clarice (1973)
Wahoo	123 lb.	3 oz.	Michael Stefanick (2000)	77 lb.	0 oz.	Linda Li-Chao Yang (1988)
Weakfish (Summer Trout)	6 lb.	8 oz.	Frank Taylor (1976)	Minimum weight: 3 lb.		

For more information on saltwater records, visit CoastalGaDNR.org/SaltwaterRecords.

RED indicates new record!

* Current regulations require the immediate release of these fish and therefore are not eligible for state records. Due to the maximum 23 inch size limit on Red Drum, a state record cannot be submitted.

Georgia Saltwater Fish

ATLANTIC CROAKER

SPOT

BLACK SEA BASS

SOUTHERN KINGFISH (Whiting)

BLACK DRUM (Young)

- Loses vertical bars with age

SHEEPSHEAD

- Keeps vertical bars throughout life

TRIPLETAIL

RED DRUM

WEAKFISH (Summer Trout)

SPOTTED SEATROUT

SMALL SHARK COMPOSITE

SHARK ANATOMY (view from above)

SHARKS FOUND IN GEORGIA WATERS THAT CAN BE HARVESTED (NOT INCLUDING SMALL SHARK COMPOSITE ABOVE)

Blacknose	Blacktip
Bull	Finetooth
Lemon	Nurse
Scalloped Hammerhead	Smooth Hammerhead
Thresher	Tiger (has interdorsal ridge)

Most sharks with an interdorsal ridge caught in Georgia waters will be included in the "prohibited" or "no harvest" categories.
 If you are not sure of the species and whether you may keep it, release it.

See the complete Seasons, Limits, Sizes list on page 74.

Fish identification pictures by: Duane Raver

Shrimp, Crab, Shellfish & Bait Minnows

A Georgia fishing license and Saltwater Information Permit (SIP) are required to recreationally fish for any seafood, whether for personal consumption or bait. **It is illegal to sell any seafood or bait harvested with a recreational license!**

SHRIMP

It is unlawful for any person to sell or otherwise dispose of, for human consumption, any shrimp taken as bait.

SHRIMP "BAITING" PROHIBITED

It is unlawful to place, deposit, distribute, or scatter any bait of any kind in, on, or over any waters so as to lure, attract, or entice shrimp toward the bait or to cause shrimp to congregate in the area where bait is placed. It is illegal to knowingly fish for shrimp in baited waters.

SHRIMPING SEASON

Unless otherwise designated, there is no closed season for the harvest of bait shrimp, regardless of the approved gear used. The season for the recreational harvest of food shrimp is the same as that established for commercial shrimping. The Commissioner of DNR may open the season from May 15 through the end of February; however, it is generally opened mid-June through mid-January. The opening and closing of the food shrimping season is announced via coastal media outlets, posted at marinas, and at www.CoastalGADNR.org.

TRAWL NETS (Sport Bait Shrimping)

Gear: Power-drawn trawl nets 10 feet or smaller may be used in saltwaters to harvest shrimp for bait. Information on the specific net dimensions for bait trawls is available from DNR offices in Brunswick.

Areas: Unless designated otherwise, a 10-foot sport bait trawl may be used at any season to take shrimp only in rivers and creeks or portions thereof that have been opened to bait shrimping by DNR. Charts of established "Bait Zones" are also available at GeorgiaOutdoorMap.com.

Hours: Trawling for bait shrimp is legal only between the hours of ½ hour before official sunrise to ½ hour after official sunset.

Harvest Limit: A sport bait shrimper may not possess at any time more than two (2) quarts of shrimp, no more than ½ pint of which may be dead, and may not take more than four (4) quarts of shrimp within a 24-hour period. When two or more persons occupy the same boat, there may be no more than four (4) quarts of shrimp on board the boat at any time; no more than one pint of which may be dead, and no more than eight (8) quarts of shrimp may be taken within a 24-hour period.

Commercial licenses are required to use trawl nets (power-drawn or hand-retrieved) to harvest shrimp for food. Trawling for food shrimp may only be conducted in the waters seaward of the sound boundary when those waters are open to the harvest of food shrimp.

SEINES

Gear and Areas: Seines equal to or smaller than 12 feet long, with a maximum depth of four feet, and a maximum stretch mesh of one (1) inch may be used throughout Georgia's saltwaters. The use of seines over 12 feet long in any inlet or tidal slough is prohibited. Seines less than 100 feet long and with a minimum stretch mesh of 1 ¼ inches may be used on sand beaches of any barrier island in Georgia. Seines from 100 to 300 feet long and with a minimum mesh size of 2 ½ inches may be used only on the oceanfront sides of beaches. Seines over 300 feet long are also prohibited. It is unlawful to use any seine in saltwaters such that it blocks more than ½ of the entrance of any tidal river, creek, slough, or inlet to the ocean.

Hours: Unless otherwise designated, seines may be used any time of day during the open season for bait shrimp and food shrimp.

Harvest Limits: Recreational seiners collecting bait shrimp are limited to two quarts per person at any time and no more than four quarts per person per day, or a maximum of four quarts per group at any time or eight quarts per day. No one person taking food shrimp solely by means of a seine, whether such person is acting alone or in a group of persons, may possess more than 24 quarts of shrimp with heads on or 15 quarts of tails taken by such seine in any 24-hour period. If any person or group of persons occupying the same boat is in possession of a cast net and a seine, such person or persons shall be subject to the limits imposed for shrimp taken by cast net.

CAST NETS

Gear: A cast net is a cone shaped net with a weighted circumference thrown and retrieved by hand without mechanical assistance. Two types of cast nets are defined: a "Bait shrimp cast net" having a minimum bar mesh of ¾ inch and a "Food shrimp cast net" having a minimum bar mesh of ¾ inch. Bait shrimp cast nets cannot be used to take shrimp for personal consumption; however, food shrimp cast nets may be used to take bait. There are no length restrictions on either net and cast nets can be modified with the addition of duct tape or other materials to enhance performance.

Areas and Hours: During the open season and unless designated otherwise, cast nets may be used to harvest bait or food shrimp at any time of day in all of Georgia's saltwaters.

Harvest Limits: Recreational cast netters collecting bait shrimp are limited to two quarts per person at any time, provided that person may take a maximum of four quarts of bait shrimp per day. When two or more persons occupy the same boat, there may be no more than four quarts of bait onboard the boat at any time, and the persons occupying the boat may take no more than eight quarts of bait shrimp per day. Bait shrimp may be alive or dead when caught with a cast. No person taking food shrimp with a cast net may possess more than 48 quarts of heads-on shrimp or 30 quarts of shrimp tails in any day. When one or more persons occupy the same boat, there may be no more than 48 quarts of heads-on shrimp or 30 quarts of shrimp tails on board at any time. No vessel owner shall allow the vessel to be used to take more than the allowable catch limits in any day.

STONE CRABS

Georgia does not regulate the harvest of stone crab; however, the harvest of the whole crab is discouraged. It is recommended that only one claw measuring at least 2 ¾ inches from the elbow to the tip of the lower, immovable finger be removed. A properly removed claw should not have meat from the body attached.

BLUE CRABS

AREAS, SEASONS, HOURS

Unless otherwise designated, the saltwaters of Georgia are open year-round for recreational crabbing at any time of the day.

GEAR

Traps: Up to six standard size crab traps (2 x 2 feet or smaller) may be used recreationally. Two unobstructed escapement rings (2 ¾ inch inside diameter) must be installed on an outside vertical wall. Each trap must be marked with a fluorescent green or lime green float bearing the owner's name and address in one-inch letters. Traps should be sufficiently weighted to prevent loss in strong tidal currents. It is unlawful to place or set crab traps in the channel of any stream with a lawfully established system of waterway markers. Disposal of crab traps in public waters is a violation of State and Federal laws.

Other Gear: Subject to other restrictions outlined in these regulations, legal crabs may be taken with other legal fishing gear such as seines, cast nets, hand-lines, and lift rings.

SIZE AND HARVEST LIMITS

It is unlawful to take or possess any crab less than 5 inches from spike to spike across the back (other than a "peeler" or a "mature adult female" crab). Peelers must measure at least 3 inches from spike to spike across the back.

No sponge (egg-bearing) crabs are allowed.

Recreational crabbers may take no more than one bushel of crabs during any 24-hour period. No more than two bushels may be taken recreationally or possessed during a 24-hour period on a boat with more than one person aboard.

Terrapins in Crab Traps: Recent studies have investigated the effectiveness of excluder devices for preventing the capture of diamond-back terrapins in commercial-style crab traps. Terrapins that enter crab traps cannot escape and often drown. To learn how to build your own terrapin excluder call 912-264-7355.

SHELLFISH

SEASON AND HOURS

Saltwaters may be opened for taking shellfish between January 1 and December 31. Prior to harvesting any shellfish, check with the DNR-Coastal Resources Division (**www.CoastalGADNR.org**) for any seasonal closures that may be in effect during the calendar year. Shellfish must be harvested between the hours of ½ hour before official sunrise and ½ hour after official sunset.

GEAR

Shellfish may only be taken with handheld implements.

AREAS

Updated charts of approved public shellfish picking areas can be obtained from the Coastal Resources Division or at **CoastalGADNR.org/ApprovedRecHarvestAreas**. It is illegal to harvest shellfish except in areas designated for such purpose.

SIZE AND HARVEST LIMITS

Oysters must measure no less than three inches from hinge to mouth, unless the oyster cannot be removed from a legal-sized oyster without destroying it. For clams, the maximum depth from one shell half to the other must be at least ¾ inch thick. Recreational quantity limits are up to two bushels of oysters and one bushel of clams per person per day, with a maximum limit of six bushels of oysters and one bushel of clams per boat per day.

WHELK (CONCH)

Recreational harvest of whelk is limited to 1 bushel/person. There is no minimum size, closed season or closed area. A recreational fishing license and Saltwater Information Permit (SIP) are required, including hand harvest from the beach.

BAIT MINNOWS

SEASON, HOURS AND AREAS

Bait minnows may be harvested year-round.

GEAR

No more than two traps may be used recreationally, except that a licensed saltwater fishing guide may use a maximum of four traps. A minnow trap must be less than 24 inches in length, 18 inches in width, or 9 inches in height for a rectangular trap; or, 30 inches in circumference for cylindrical traps. The throat opening must be no larger than 1 inch, and bar mesh must not be smaller than ¼ inch (square or diameter). Each trap must have attached a tag or float bearing the name and address of the person using the trap. Subject to specific gear design criteria, sizes, time of day, and area restrictions outlined in these regulations, bait minnows may also be taken recreationally year-round in seines and cast nets.

POSSESSION LIMITS

No individual recreationally harvesting bait minnows may possess more than two quarts of bait minnows at any given time. A licensed saltwater fishing guide may possess not more than 10 quarts at any given time.

SALTWATER ADVISORY

Harmful toxins called PCBs are stored in the hepatopancreas ("the green gland" also known as the mustard, tomalley, or liver) found in the body section of blue crabs.

Recent studies have shown that crabs in the Middle Turtle River and Purvis and Gibson Creeks contain high levels of PCBs. While the crab meat may still be eaten in recommended amounts, the hepatopancreas should not be eaten because of the high PCB levels.

If crabs are cooked whole, the juice should not be consumed. Because PCBs are transferred to cooking liquid, crab cooking liquid should also be discarded.

Cleaning crabs before you cook them ("backing" the crabs and rinsing out the guts and the gills) reduces the risk of consuming PCBs.

TIPS for TARPON

- Use **CIRCLE HOOKS**.
- **CUT LINE** of deep hooks.
- Keep tarpon **IN WATER**.
- Grasp with **HANDS**, not gaff.
- Avoid **PREDATORS** and **REVIVE** tired tarpon.

General Guidelines

Many marine fish have gas-filled organs called swim bladders. These organs control buoyancy and allow the fish to maintain depth. When some fish are brought quickly to the surface, the gas in the swim bladder can over-expand and rupture the bladder, a condition known as "**barotrauma**." Escaping gas fills the gut cavity which can lead to everted stomachs or intestines. If released in this condition, the fish cannot descend and may float away and die. Generally, fish caught deeper than 30 feet will suffer some effects of barotrauma.

- **Recompression.** The **best and first choice** for release should be to return fish to the depth from which they are caught, a technique known as recompression. A variety of recompression tools are on the market, including descender devices, release weights, and release baskets (see TakeMeFishing.org/FishSmart). Fish should be returned to the depth of capture when practical. If catching fish at great depth, returning them to at least 60 to 100 feet will dramatically improve survival.
- **Venting.** If recompression is not possible, venting is a second option. Venting helps the gas escape and allows the fish to descend. A simple venting tool can be made by mounting a sharpened football needle in a 1" x 3" dowel rod with a hole drilled lengthwise through the rod to allow gas to pass. Hold the fish gently on its side. Insert a needle through the thin lower body wall below the rear end of the pectoral fin. Insert the needle only as far as needed to allow the gas to escape. Squeeze gently to help push the gas out.

- **Do not puncture a protruding stomach or try to push the stomach back into the throat. Remember a knife is not a proper venting tool!**

By developing a few simple habits, anglers can greatly increase the chances that the fish they release will survive. Try these tips the next time you go fishing. For more information about best fishing practices, please visit CoastalGaDNR.org/FishSmart.

- **Plan Ahead.** Before you go, decide whether you might release fish on your trip and prepare the equipment necessary to do so.
- **Avoid Encounter.** If catching fish that you don't want or cannot keep due to regulation, change your fishing depth, move to a different area, or use different bait.
- **Use Appropriate Gear.** Use non-stainless steel hooks that dissolve quickly. Use non-offset circle hooks when fishing with natural bait to avoid gut-hooking. Flatten barbs so the hook can be removed with less damage to the fish.
- **Don't Exhaust Fish.** Use gear and line strength to minimize playing time, landing fish as quickly as possible. If possible leave the fish in the water rather than bringing them on board.
- **Handling the Fish.** If you must handle the fish, use knot-less rubberized landing nets, rubberized gloves, or wet towels or wet hands to avoid removing the slime layer. Make sure to wet your measuring board or boat deck. Don't put your fingers in the gills.

FEDERAL WATERS VIOLATIONS

TO REPORT VIOLATIONS ON FEDERAL WATERS CONTACT:

U.S. Coast Guard stations in Brunswick (912-267-7999) and Tybee Island (912-786-5440).

NOAA's toll-free, 24-hour Fisheries Enforcement hotline (800-853-1964).

- **Keep horizontal and support the body of the fish.** The lower jaw is not meant to support the full weight of any fish.
- **Time is of the Essence!** Release fish as soon as practical and do not keep them out of the water longer than necessary. Have your camera always on the ready.
- **Some Fish May Need a Little Assistance.** If the fish does not immediately swim away, support the fish horizontally in the water and gently move it back and forth so that water runs over the gills. Release the fish when it is able to swim away on its own.

CATCH. RELEASE. REVIVE.

As an offshore angler, you know the thrill of the catch at our vibrant reefs. But did you know that many reef fish experience barotrauma, a condition caused by rapid changes in pressure when they're brought to the surface?

When you release fish, help keep them alive by using descending devices. Federal law requires you to have them onboard and ready to use when fishing for or possessing snapper-grouper species in South Atlantic federal waters. They quickly return fish to the depth where they were caught, allowing fish to recover. Reducing fishing mortality due to barotrauma conserves fish populations and ensures the future of your favorite sport.

Join Coastal Resources Division and Return 'Em Right in making a positive impact. Equip your boat with descending devices today and be a responsible steward of the sea. Your catch—and the ocean—will thank you. Scan the code to learn more.

Let your career

TAKE YOU WILD PLACES

People who work for the Department of Natural Resources (DNR) are committed to fulfilling the agency's mission of managing and conserving the state's natural, historic, and cultural resources for future generations. With nearly 2,500 associates working throughout the state, job opportunities within the agency require various levels of education and expertise ranging from a high school education up through advanced degrees. If you are interested in pursuing a career as a Game Warden, Fisheries or Wildlife Biologist, Park Manager, Environmental Engineer or any other career in DNR, the Department of Natural Resources is the place for you.
