

VPA-HIP Program Survey

Your hunt on September 4, 2021 at London Farms was made possible through a program called the Voluntary Public Access (VPA)/Habitat Incentive Program. This USDA program provides grants to states and federally recognized Indian tribes that help increase public access to private lands for recreation activities, such as hunting, fishing or hiking. Thanks for taking a few minutes to answer questions about your dove hunting experience.

Please read the following statements and indicate your level of agreement by circling a number between 1 and 10, with 1 being strongly disagree and 10 being strongly agree.

1. Public dove fields are my primary means of access to dove hunting.
